It is the practice of the University to destroy all documents relating to unsuccessful applications to undergraduate programmes at the end of December, year of application. Unsuccessful applicants who wish to receive feedback on their application are required to make a written request to the University prior to this date.

RESEARCHING COURSE OPTIONS

It is essential that you devote considerable time and thought to investigating and researching the course(s) you wish to pursue. One of the reasons most frequently cited by students who drop out of college is that they chose the wrong course. It may be that the course did not live up to expectations, that the student was inadequately prepared or that the time and/or financial demands were too great. It is, therefore, important that your decision is made based on facts rather than on impressions.

SHORTLISTING FOR INTERVIEW

A copy of your application form and the results of additional assessments (where applicable) are forwarded to each of the departments to which you have applied. Applicants are assessed in the first instance on the information provided on the TCD Mature Student Supplementary Form only – no additional documentation will be passed to departments for consideration.

Following consideration of all applications a department will make one of the following recommendations:

- That you are to be called for interview.
- That you are to be offered a place.
- That your name is to be put on a waiting list.
- That your application has been unsuccessful.

Due to the time required to assess each application it may be several weeks from the time of application before you are notified of a decision.

INTERVIEW

It is important that you are available throughout the interview period.

Interviews normally take place between mid-March and end-April. A very high number of applicants are interviewed each year and, because of this, alternative interview dates cannot be arranged.

NOTIFICATION OF OUTCOME OF APPLICATION

All applicants will be notified of the outcome of their application by the end of May. Applicants who are being offered a place will be requested to confirm their acceptance in writing and to provide documentation, e.g. copies of educational qualifications, documentation in support of EU status, etc. as appropriate.

A formal offer notice will be issued through the CAO in early July. This offer must be accepted in line with the CAO regulations to secure your place.

Please be aware that the mature student application process is a competitive one and that interviews and/or offers are not guaranteed.
COMPLETING THE TRINITY COLLEGE MATURE STUDENT SUPPLEMENTARY APPLICATION FORM

GENERAL INFORMATION

The application form is lengthy. This is to ensure that each applicant can provide departments with the information most pertinent to their assessment.

There are over 60 full-time undergraduate degree courses in Trinity College and the requirements for these vary greatly. For example, the Department of Social Studies is interested in finding out about relevant work/voluntary experience, the language departments need to know the level of an applicant’s foreign language skills, while you are required to have Leaving Certificate mathematics for all engineering and computer science courses.

You should concentrate on the sections of the application form that are relevant to the subject/course(s) you wish to pursue. You may find that one or more sections are not applicable to you. In this case just enter N/A (not applicable) in the space provided.

SECTION 1: PERSONAL DETAILS

1.1 Contact Details

Enter your full name; avoid using shortened versions of your first name (e.g. Liz).

Enter your address in block capitals. If your address changes at any time during the application process please notify the Admissions Office and the CAO immediately.

Enter your PPS number.

Enter your CAO number if available. If not available you should forward it to the Admissions Office as soon as you receive it.

1.2 Date of Birth

In this section you are asked to give your date of birth. This is to establish your eligibility to apply. All applicants MUST be 23 years or older on 1st January before starting a course of study. A copy of your birth certificate, passport or driver’s licence may be requested if you are offered a place. There is no upper age limit.

1.3 EU Status

In order for an applicant to be eligible for consideration as a mature applicant he or she MUST have EU Status. For details of the criteria determining EU status see page 2.

If you do not have EU Status you should apply to:

International Office
East Theatre, Trinity College, Dublin 2
Tel: 353 1 896 3150
Email: international@tcd.ie
Website: www.tcd.ie/international

---

4 Non-EU applications are considered solely on the basis of academic merit and applicants are required to meet the University’s matriculation requirements and the competitive entry standard regardless of age.

5 For all courses except Medicine & Dental Science. For Medicine & Dental Science applications please contact the Admissions Office.
SECTION 2: COURSES

2.1 Course Choices

List the course(s) for which you wish to be considered (see example below). You are invited to apply for one, two or three courses. When completing this section please note:

■ You cannot enter more than three choices.

■ You must enter both the course code and title. Please refer to the current CAO Handbook or Trinity Prospectus for course codes and titles.

■ If you are applying for a two-subject moderatorship (TSM) combination you must enter the specific code for the TSM combination. Please refer to the current CAO Handbook or Trinity Prospectus for permitted combinations of subjects and combination codes.

EXAMPLE

2.1 Course Choices:

List the courses, in order of preference, for which you wish to be considered. If you are applying for two-subject moderatorship (TSM) combination, under Course Title you must enter both subjects on the same line.

2.2 The Trinity College Form and the CAO Form

When completing this section, please note the following with regard to your CAO application:

■ The Trinity College Mature Student Supplementary Application Form and the CAO Application Form must state the same Trinity College course choices.

■ Additional or different Trinity College course choices stated on the CAO application but not included on the TCD application will not be considered.

■ Mature students applying to Trinity College cannot use the CAO Change of Mind facility to introduce a new course or subject because assessment begins as soon as the Trinity College Mature Student Supplementary Application Form is received.
SECTIONS 3, 4 AND 5

Introduction
The greatest advantage of being a mature student is the wealth of experience that you have gathered over the years. The biggest challenge as an applicant is to document the extent and value of this experience.

In the case of Section 3 (Education) it is relatively straightforward as you can note grades, certificates, etc. awarded.

Completion of Section 4 (Employment) and Section 5 (Other Activities) may be less straightforward. In these sections you should record experiences relevant to the courses to which you are applying. You should also focus on what these experiences mean to you in terms of your learning and development.

SECTION 3: EDUCATION

3.1 Secondary Education
This section is solely for information on the secondary education you completed. Give details of the last secondary school qualification you were awarded including the name of the exam, the subjects taken, level of examination and grades achieved.

If you attended secondary school but do not have a secondary qualification enter details of the school and the years attended.

If you did not attend a secondary school, write N/A (not applicable).

3.2 Post Second Level Education: Certificate(s), Diploma(s) or Degree(s)
Enter information on certified courses you have completed since leaving the secondary school noted in Section 3.1. These courses may range from VTOS/Access course and/or Leaving Certificate to NCVA, City & Guilds, NCEA Diploma, Degree, etc. Indicate final grade achieved.

3.3 Current Studies: Certificate, Diploma or Degree Courses
Enter information on certificate, diploma or degree courses (VTOS/Access course, NCVA, City & Guilds, Leaving Certificate, NCEA Diploma, Degree, etc.) you are currently studying but have not yet completed. You should indicate how your studies are progressing by giving an average result for each subject you are studying.

<tr>

</tr>
</tbody>
</table>

DATES: FROM - TO: SEPT 2010 - JUNE 2011
SECTION 4: EMPLOYMENT

Enter, in chronological order, the most relevant posts you have held to date. Ensure that you enter the full title of the position along with the full name of the company/organisation.

For example, under Job Title, write Support Worker for Victims of Drug Abuse rather than simply Support Worker. You are invited to outline your responsibilities, the skills and knowledge you gained while in each position. You should draw particular attention to anything you feel may be relevant to the subjects/course(s) for which you are applying.

If you do not have any experience in this area, write N/A (not applicable).

SECTION 5: ACTIVITIES OTHER THAN EDUCATION OR EMPLOYMENT

You are invited to detail the experiences you have gained outside the formal sectors of work and education. Such experiences may take the form of voluntary work (e.g. a youth group or a parents’ committee) or be as a result of a hobby or personal interest. Applicants who are considering a vocational degree course, for example, Social Studies or Occupational Therapy, should note that it is particularly important to mention activities and experiences that are relevant to these degree programmes.

If you do not have any experience in this area, write N/A (not applicable).

SECTION 6: SUBJECT/COURSE

You must complete a separate page for each subject/course for which you wish to be considered. If you are applying for

- Two-subject moderatorship (TSM) combination you must complete a separate page for each subject.
- Single Honors and TSM in the same subject you need only complete one page, e.g. (TR023) English studies and TSM English literature with one other subject: submit only one page for English.
- An undergraduate programme that specifically includes a language, e.g. (TR085) Business Studies and French, you must complete one page for business studies and another for French.
- Computer Science, Linguistics and a Language you must complete a page for each of the three subjects.

On each page you are asked to state what specifically interests you about the subject/course. Before responding, it is important to ensure that you are aware of what the subject/course entails (for details on how to obtain the section ‘Researching your Course Options’ page 3).

You are also invited to highlight the relevance of your educational, work and life experience, as outlined in SECTIONS 3, 4 and 5, to the subject/course. For example, your interest in a course could have arisen as a result of your having just completed a related Leaving Certificate subject, family circumstances such as fostering, or your experience of working in another country.

It is important that each of these pages is filled out fully and to the best of your ability as departments pay particular attention to this information when assessing applications. If you find that you do not have enough space to answer any of the questions on this page, you may continue your answer on an additional A4 page.
SECTION 7: ADDITIONAL INFORMATION

Use this section to include any additional information that you wish the assessment committee to consider.

SECTION 8: MATURE APPLICANTS WITH DISABILITIES

If you have a disability you are invited to inform the College of your disability and of any likely requirements you may have. The College will try, as far as possible, to meet the needs of applicants with a disability. The information provided will not in any way prejudice or favour your application and is sought only for the purpose of accommodating you at the assessment and/or interview stages.

If you require additional supports at the interview stage you MUST provide a copy of supporting medical/disability documentation with your application.

For further information on acceptable documentation please consult the Admissions Office website on www.tcd.ie/Admissions/undergraduate/apply/eu/disability or phone 896 3111.

SECTION 9: CERTIFICATION

Read this part carefully, ensure that you have completed the checklist and understand and accept the statement before signing.

SECTION 10: CHECKLIST

Copies of Application Form

Your original Application Form is held in the Admissions Office and the photocopies are forwarded to each of the departments to which you are applying.

In addition to returning the original form you must submit a photocopy of the full application form for each subject/course to which you applied. The number of photocopies included with your application should be the same as the number of pages you completed in SECTION 6.

If you are applying for only one course you are required to return the original application form and to provide one photocopy.

You are also advised to make a copy of your application form for your own reference.

Additional Documentation

- If English is not your first language, you are required to submit one of the recognised qualifications or notice of your test date (see page 6).

- If you require specific accommodation for an assessment test or interview you must include supporting medical documentation.
