

Admissions through the Trinity Feasibility Study

Candidates who have been successful in gaining a place through the feasibility study will be notified of their offer by CAO as normal and should follow the CAO's offer procedures to accept their place on the course.

Successful applicants will also receive an email from Trinity College Dublin confirming that the CAO offer has been made.

Applicants admitted through the Trinity Admissions Feasibility Study who are also eligible HEAR and/or DARE candidates will retain their right to the supports offered by those access routes.

Rechecks

Grounds for Requesting a Recheck

To request a recheck, applicants must complete an online recheck form by 5.15pm on 22nd August 2014. The only ground for requesting a recheck is:

- If the applicant believes there was an administrative error in the screening of his/ her application. This might include the incorrect total being entered for a modality or an incorrect calculation of their combined scores.

The Purpose of a Recheck

A recheck is a review of the application to make sure there were no administrative errors in the screening of that application.

PLEASE NOTE: The purpose of a recheck is not to rescreen the application for eligibility, but rather to ensure that there was no administrative error in the original assessment. The recheck screening sheet pulls up all the information from the original assessment, and the documentation is then reviewed to determine if there was an administrative error.

How to Request a Recheck

To request a recheck please complete the recheck form located here:
<https://www.surveymonkey.com/s/WMDF27V>

You will be notified of the results of the recheck in early September.

Queries

Applicants who applied through the Trinity Admissions Feasibility Study and have queries can contact tfsa@tcd.ie
