

PERSONNEL POLICIES, PROCEDURES & FACILITIES (www.tcd.ie/Staff.Office)

Trinity College Dublin is an equal opportunities employer and is committed to the introduction and development of employment policies, procedures and practices which do not discriminate on grounds such as gender, marital status, family status, age, disability, race, religious belief, sexual orientation or membership of the travelling community (see www.tcd.ie/Secretary/Policies).

Trinity College is committed to supporting the right of all members of the College community to work and study in an environment which is free from all forms of workplace bullying, including sexual harassment and other forms of harassment. Such behaviour can create an intimidating, hostile atmosphere and is unacceptable. It can damage an individual's welfare and can also undermine the College community.
