

7th Half-Day Symposium on Supramolecular Chemistry in Ireland

***To be held on the 31st March 2006 from 11.00 in
The Chemistry Large Lecture Theatre,
School of Chemistry, Trinity College Dublin***

Plenary Lectures

Professor Jean-Claude Bünzli,

Laboratory of Lanthanide Supramolecular Chemistry, Ecole
polytechnique fédérale de Lausanne (EPFL), Switzerland

Professor Michael D. Ward,

Department of Chemistry, University of Sheffield, Sheffield UK

Invited lectures

Professor Nathaniel S. Finney,

Organisch-chemisches Institut, Universität Zürich, Switzerland

Professor Mathias Senge

School of Chemistry, Trinity College Dublin

Dr. Jonathan W. Steed

Department of Chemistry, University of Durham

Dr. M. Cristina Lagunas

School of Chemistry and Chemical Engineering, Queen's University of Belfast

Dr. Dmitri B. Papkovsky

Department of Biochemistry, University College Cork

The Symposium is free of charge and open to everyone, but registration is essential. Interested parties should contact Prof. Thorri Gunnlaugsson by e-mail: gunnlaut@tcd.ie, before Tuesday the 28th of March.

Calls are now open for limited numbers of poster presentations. Poster abstracts should be sent as an attachment to Dr. Paul Kruger by e-mail: paul.kruger@tcd.ie, by Tuesday 28th of March. Light refreshments will be provided during the poster section at lunchtime and during afternoon coffee.
