CONSENT FORM (Parent)

Project title

Participant ID:

I have read and understood the Information Sheet and I have had the chance to think about the information. □

I understand that it is OK to stop my child from taking part at any time and that I do not have to say why. □

I understand that the researchers will be audio recording my child’s voice during discussions with other children. □

I understand that the researchers might include quotes from my child (written, verbal or from their artwork) in reports, when they are talking at conferences or in research papers and I give my permission for them to do so. They will not use my child’s name—any quotes/written work or artwork will be anonymous. □

I agree to allow my child to attend the following meetings:

1) Initial meeting in their own school □

2) ‘Questionnaire design’ in a local school □

2) ‘Discussion of questionnaire findings’ in another venue (TBC) □

I understand that a teacher will accompany my child from her/his school for all meetings which do not take place in their school. I will be fully informed of all travel arrangements. □

I agree for my child to take part in the above study.
