Surfing the Waves of Genetics at Trinity
A celebration to mark the retirement of David McConnell

Trinity Biomedical Sciences Institute (TBSI) 152 – 160 Pearse Street
Saturday 9nd May 2015

Symposium Programme

10.00	Welcome & Introduction	Tony Kavanagh Head of Smurfit Institute of Genetics, TCD
10.15	Classical Genetics	John Atkins Biosciences Institute UCC
10.35	Genome Sequencing	Kevin Devine Smurfit Institute of Genetics, TCD
10.55	David McConnell shining light on DNA	John Kelly Department of Chemistry, TCD
11.15 - 11.45 <i>Coffee</i>		
11.45	Bioinformatics	Paul Sharp University of Edinburgh, Scotland
12.05	Undergraduate Mentoring	Aoife McLysaght and Kevin Mitchell Smurfit Institute of Genetics, TCD
12.25 – 14.00 <i>Lunch</i>		
14.00	Human Genetics	Peter Humphries Smurfit Institute of Genetics, TCD
14.20	Population Genetics and Ancient DNA	Patrick Cunningham Smurfit Institute of Genetics, TCD
14.40	Biotechnology	Børge Diderichsen Novo-Nordisk, Denmark
15.00	David's Graduate Students	Geraldine Butler Conway Institute, UCD
15.20 – 16.00 <i>Coffee</i>		
16.00	Contributions to Trinity College Dublin	Tom Mitchell Provost of TCD (1991 – 2001)
16.30	Presentation	
16.40	David McConnell	
17.30 – 18.30 <i>Wine Reception</i> <i>Atrium, Smurfit Institute of Genetics, TCD</i>
