

This programme allows students to combine the study of business-related subjects with a language out of six (French, German, Italian, Polish, Russian, and Spanish). The third year is spent studying at a Spanish university.

## **JUNIOR FRESHMAN (JF)**

The first-year course is designed primarily to establish and consolidate your competence in understanding and using the Spanish language.

### **SPANISH LANGUAGE**

All students attend **five** language classes each week, including **one** in Spoken Spanish and **one** in Listening Comprehension.

### **HISTORY, CULTURE, AND SOCIETY**

#### **Introduction to Modern Spain**

All BSL Junior Freshmen attend **one** lecture each week on the course *Introduction to Modern Spain*. The course will introduce you to the major historical, socio-economic, political, and cultural shifts that have affected Spain during the 20<sup>th</sup> century, to recognize to what extent Spanish society is still responding to historical experiences of the Civil War and the Franco regime.

## **SENIOR FRESHMAN (SF)**

All students attend **three** classes a week in Spanish Language throughout the year.

#### **España Contemporánea I and II**

All students attend two hours throughout the year. The courses prepare students for their Year Abroad (topics covered range from culture to politics and society).

## **JUNIOR SOPHISTER (JS)**

Students spend the year in Spain. The year abroad will provide you with a unique academic, cultural, and linguistic opportunity.

## **SENIOR SOPHISTER (SS)**

In the final year students are expected to attend **two** classes a week in **written Spanish** and **one** in **spoken Spanish**. The language course includes business translation and the development of practical skill such as report writing and summaries. You will also write a Case study in Spanish on a company, which you will have selected during the year abroad in Spain.
