

## Neuroenhancement for Inequalities in Elder Lives

*Enhance, Enable, Educate, Empower*

TRINITY COLLEGE

Institute of Neuroscience

TCIN

*Professor Linda Clare*

*‘Cognitive rehabilitation for people with early-stage dementia’.*

*Linda Clare is Professor of Clinical Psychology and Neuropsychology in the School of Psychology, Bangor University, UK, and is a chartered clinical psychologist and clinical neuropsychologist. She has pioneered the application of cognitive rehabilitation approaches for people with early-stage Alzheimer’s disease, and her book ‘Neuropsychological Rehabilitation and People with Dementia’ was published in 2007. She currently serves as Editor for the Cochrane Dementia and Cognitive Impairment Group. In 2003 she received the May Davidson award from the British Psychological Society for her contribution to the development of clinical psychology in the UK.*
