WHAT DOES THIS COURSE OFFER?

The Postgraduate Certificate in Dementia offers students the chance to develop excellence in dementia care, equipping them with the skills needed to ensure that people with dementia live a dignified and meaningful life.

The course is taught entirely online and offers a learning experience that is both structured and flexible. Each week, lecturers provide students with learning materials, activities, and tasks. These can take a variety of forms, for example, podcasts, discussion forums and blogs.

WHAT ARE THE ENTRY REQUIREMENTS?

- Minimum of one year's professional experience in supporting persons with dementia within the past two years
- Currently work in an area where dementia care is delivered
- Honours degree in a relevant discipline (however, relevant experience will also be taken into account)
- Satisfy the selection panel

Ireland-based nurses or midwives must be registered on appropriate division of the live register held by The Nursing and Midwifery Board of Ireland.

CAN I TAKE MY LEARNING FURTHER?

Students who successfully complete the Postgraduate Certificate in Dementia course (without compensation) are eligible to continue on to study for a **Postgraduate Diploma in Dementia** or an **M.Sc. in Dementia** from Trinity College Dublin.

If students wish to progress their study, they must do this within five years of completing the Postgraduate Certificate in Dementia.
