Examination

I wish to apply for the School of Physics Entrance Scholarship I confirm that I intend to take Physics in SF (2nd year) and to study for a physics degree in the Sophister (3rd and 4th) years. I understand that if I do not take Physics in the SF year that the scholarship will be terminated. I understand that the scholarship will not be payable in repeat years. I accept the terms and conditions laid down by the School of Physics.
