

School Seminars
Hilary Term 2009

Friday, 30 January, 12 noon, Schrödinger Theatre

Prof. Gregory Szulczewski
Walton Visiting Fellow, CRANN
and Dept. of Chemistry,
University of Alabama, USA

*Organic spintronics:
The Renaissance of
molecular electronics?*

Friday, 6 February, 12 noon, Schrödinger Theatre

Prof. Paul Callanan
Department of Physics
University College Cork

Title to be announced

Friday, 20 February, 12 noon, Schrödinger Theatre

Institute *of* **Physics Seminar**

Dr Justin Molloy
National Institute for Medical
Research, London, UK

*Using lasers to study single
biological molecules*

Friday, 27 February, 12 noon, Schrödinger Theatre

Institute *of* **Physics Seminar**

Prof Charles Adams
Dept. of Physics, Durham
University, UK

*Quantum information and
Rydberg atoms*
