# Some Important Websites

---

- Regularly check your @tcd.ie account!
- Many lecturers in Trinity College Dublin use Blackboard Learn and Turnitin.com
  - Blackboard Learn: Lecture notes, readings etc are posted here (you will be registered automatically after your module registration form is processed. Lecturers can also add you manually)
  - Turnitin.com: some modules require submission of assignments via this channel (plagiarism check), you receive further information in the relevant assignment guidelines.
  - Plagiarism Policy; <http://tcd-ie.libguides.com/plagiarism/calendar>

# Some General Advice

---

- Keep us informed of your progress or difficulties during your time at Trinity College. Your Erasmus coordinator is also your tutor while you are here
- Other sources of support:
  - Student Counselling Service – [student-counselling@tcd.ie](mailto:student-counselling@tcd.ie)
  - Chaplaincy Service – [chaplaincy@tcd.ie](mailto:chaplaincy@tcd.ie)
  - Student-2-Student – [student2student@tcd.ie](mailto:student2student@tcd.ie)
  - Student Health Centre
  - Student Union

# How to pick your modules

---

- Take about 80% - 100% of a Trinity student's module load (but meet the requirements of your home university); visit some modules in first week to help you decide
- Take a good mix of modules subject to schedule and restrictions: you cannot take modules that clash on the timetable

# What is the right module load?

<b>One Term Students (Michaelmas Term or Hilary and Trinity Term)</b>	<b>Between 25 and 30 ECTS</b>
<b>Full Year Students</b>	<b>Between 50 and 60 ECTS</b>

- We do not recommend taking more than 30 credits per term. If your home institution asks you to do more, please contact your TCD Coordinator for assistance.
- Equally, we will not sign a module registration form that is too light (e.g. just one or two modules)

# ECTS Credits at Trinity

Year	1 Term	Full Year
2nd Year (Senior Freshman, SF)	5 credits*	10
3rd Year (Junior Sophister, JS)	5 credits*	10
4th Year (Senior Sophister, SS)**	7.5/10 credits***	15

\*In Political Science and economics, full year students may not take 1 term modules. They must take full year modules

\*\* The Department of Political Science does not accept Visiting and Erasmus students in SS (4<sup>th</sup> year) modules.

\*\*\* Exchange students do an additional assignment

# Registering for modules

---

- Module registration form (included in Welcome Pack)
- Get this form signed by relevant coordinator for all modules
- Submit to Academic Registry Service Desk with all signatures complete. They will register you officially on the system. Ensure module codes are correct. If there are clashes you will not be able to register
- You may attend classes in week 1 even if you have not registered for them yet
- There are no caps for classes in SSP or Business so there is no necessity to hand in form early
- There are prerequisites for some classes – check with coordinators

# Signing Session

# Broad Curriculum

---

Erasmus students from other Schools and visiting non-EU students who have not been approved to take modules in our Schools can consider taking broad curriculum courses. See [https://www.tcd.ie/Broad\\_Curriculum/](https://www.tcd.ie/Broad_Curriculum/)

This is a different module registration procedure

# Time spent in classroom

- Most modules involve 2-3 hours per week in the classroom in lectures, seminars and tutorials, and about 5 hours per week reading and preparation (emphasis on independent study).
- **Tutorials:**
  - Note that many modules will offer several tutorials that cover the same topic – usually students are assigned to a tutorial group. If in doubt ask your lecturer.
- **Assessment:**
  - Almost all modules award a proportion of the final mark to essays, assignments, tests etc and a proportion to an exam
  - One term students may not have to do an exam in some departments, but will have a lot of essays due around the same time

# Buddy System

---

- Run by Trinity students to help you feel at home and to make your stay in Ireland more enjoyable.
- Incoming students are assigned a Trinity Student Buddy - many who have studied abroad themselves
- Buddies organise events throughout the year such as nights out in Dublin, cultural trips to the cinema, museums and theatre and at least one weekend trip each term.
- Open to visiting and exchange students studying business, economics, philosophy, political science and sociology.
