Module Enrolment Form
Visiting & Erasmus Students

**Guidelines**

Please read carefully before completing your form

1. Modules are enrolled subject to timetabling constraints. Students are not permitted to take clashing modules. A module clash is when two modules/tutorials are timetabled at the same time & day. Neither module/tutorial will be registered on your record until the clashing is resolved with the relevant academic department(s).

2. Please review modules in advance of selection in the Module Directory to ensure all details are correct: https://www.tcd.ie/study/non-eu/study-abroad/to-trinity/ModuleDirectory/

3. A full academic year is equivalent to 60 ECTS. Full year students are expected to take a minimum of 45 ECTS and one term students a minimum of 20-30 ECTS.

4. The Academic Registry is responsible for the administrative process of module registration only. Any queries in relation to course content, course requirement or clashes should be directed to the relevant academic department.

5. Students must obtain the signed approval of the relevant coordinator in each academic area in respect of each module (with the exception of Broad Curriculum and Semester Start Up Programme Modules).

Module Enrolment Forms must be submitted to the Academic Registry between the following dates:

- **Hilary Term Enrolment: January 12th- 20th 2017**

6. Completed module enrolment forms must be submitted by January 20th 2017. If you register for a module and do not withdraw officially by this deadline you will receive a mark of ABSENT on your Trinity and home university transcript.

7. If changes are required to originally submitted module choices, a Change of Mind form must be completed and submitted to the Academic Registry no later than January 26th 2017.

The Change of Mind Form can be found in the Module Directory (hyperlink below):
