

Will you be going to Trinity College in September 2012?

Would you like to check out their student accommodation?

Trinity Hall is the official residence of Trinity College which is recommended for all students but particularly for first years and new entrants to College.

In August, on Friday afternoon the 17th and Saturday the 18th Trinity Hall will have two open days to give parents and leaving cert students the opportunity to visit the accommodation, have a look at the types of accommodation on offer, and meet some of the current/former residents and the Warden's team.

You'll get a feel for the accommodation and a chance to decide if you subsequently want to apply to live there during your 1st year of College.

Remember it's the weekend after the leaving cert results come out....

Friday the 17th of August from 2pm to 6pm.
Saturday the 18th from 12 noon to 4pm.
