

## *Benefactors of Trinity College<sup>1</sup>*

Trinity Foundation, an independent charity (CHY10898) was established to raise funds to support the development of Trinity College Dublin, playing a vital role in ensuring that the College has the financial resources to remain a leading, internationally recognised university.

September 2005 marked the end of a very successful five year period of fund-raising for Trinity with just under €100 million raised.

The Board of Trinity Foundation join the Provost, Fellows and Scholars of Trinity College in thanking all supporters of the University and its mission. Significant philanthropic donations, which have been used to support the College activities, were received from the following, whose continuing support is greatly appreciated:
