WE ARE UNIQUE

Live Action Learning in Real Company Projects

The single most differentiating feature of the Trinity MBA is our focus on live action learning. You will undertake 3 full-time projects that focus on complex strategic issues in real organisations.

Unlike other MBAs, you will be fully deployed in one of the 42 companies that have chosen to work exclusively with Trinity. You will work directly with senior executives in social entrepreneurship organisations, high potential start-ups, SMEs and blue chip multinational companies.

8 MODULES

**2ND SEMESTER
JAN - APRIL**

**RESIDENCY
WEEK
IN BELGIUM**

**2ND LIVE
PROJECT**

**The Social
Entrepreneurship Project**
Help fast moving SMEs scale
their international growth.

Leadership & Professional Development

Running the entire duration of the programme, this module will develop your personal and organisational skills, and self-knowledge. You will be assigned a personal coach to guide you through a range of psychometric profiling tests focusing on personal insight, growth and development.

Profiling your leadership DNA in this way highlights your natural strengths and the potential challenges you may face. You will also work with fully qualified high performance coaches to develop your collaboration skills in teams.

YOUR FUTURE

Career Services and Development

Our dedicated career development team will help you identify your ideal career path and provide tailored advice on how best to achieve your career goals. Through workshops and one-to-one coaching, you will be introduced to our portfolio of company recruiters.

As a member of the Trinity MBA alumni you will have lifelong access to this service. As Ireland's leading MBA programme, employers from all industries aggressively recruit our graduates.

THE VIBRANT CITY OF DUBLIN

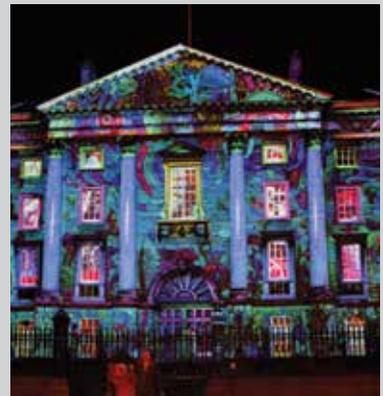

“A beautiful and historic campus setting, classmates from many different cultures and backgrounds, lecturers with interesting insights into current best industry practice and academic thinking, an intimate class-tutor environment, a focus on individual personal development, a team-based approach to assignments so essential in business today, and multiple company projects offering the immediate opportunity to apply academic learning; all of these made the Trinity MBA programme a truly stimulating experience, and a very worthwhile investment in terms of both personal and professional development.”

MICHAEL KENNEDY, TRINITY MBA ALUMNI

Trinity Business School sits right at the heart of business. Dublin is a thriving capital city and one of the most dynamic technology and business hubs in Europe.

Global finance, tech, agricultural and pharmaceutical multinationals, and the energetic start-ups based in Silicon Docks are only minutes away. Many of these contribute to our programmes and global business network.

Our prestigious university has a long history of innovation. The beautiful campus, with its cobbled squares and contemporary amenities, is home to a vibrant and diverse student community. For four centuries, our world-famous graduates have included Nobel laureates, entrepreneurs and global business leaders.

Ireland is one of the only English-speaking countries in the European Union

One of the only European countries to provide a two year graduate work visa

The World Bank lists Dublin as one of the top 10 places in the world to do business

The EY Globalisation Index names Ireland in the top 5 most globalised economies

Ireland is consistently ranked as one of the safest and friendliest countries

Dublin is frequently voted as one of the best student cities in the world
