Postgraduate Diploma in Accounting

PROGRAMME OVERVIEW

FAST TRACK YOUR CAREER WITH A PROFESSIONAL ACCOUNTING DEGREE

Designed for non-accounting graduates, this conversion course fast tracks students towards becoming a qualified accountant and focuses on the fundamentals of financial accounting, management accounting, corporate finance, audit, taxation and related areas.

Over eight months, students gain significant exemptions from professional accountancy examinations which would otherwise take up to three years to complete. The programme is fully accredited by ACCA, Chartered Accountants Ireland and CIMA.

This programme is an excellent choice for anyone looking to start a career in accountancy. It is fast-paced and offers you a very strong foundation across a variety of subjects.

The best aspect of the course was the access to incredible career opportunities. After starting the programme I immediately received multiple offers from well-respected companies.

Class of 2017

The programme is a very intense but very rewarding experience and qualified me for a number of professional exemptions, which was a valuable asset in securing a training contract.

Having previously studied Biochemistry, I was grateful to find a programme specially designed for non-majors. The fact that everyone started on the same level built a wonderful sense of camaraderie, and it’s a lasting bond that will exist beyond our time at Trinity Business School.
