Designed to help students become skilled digital marketing strategists, this programme focuses on how companies do business in a digital world. Students will also learn about digital design, the user experience and how to plan and implement digital strategies.

The strong industry focus and partnership approach means that a variety of leading digital companies are represented by expert guest speakers and faculty, including multinational companies such as Google, Facebook, Twitter, HubSpot and Microsoft.

“Our graduates gain the cutting-edge technical skills, the business acumen and the strategic vision needed to become effective marketing strategists in the workplace.

Our expert industry practitioners who teach on the programme often hire our graduates. If you have a passion for digital marketing, this programme will kick start your career.”

Career Services & Development

Trinity Business School has a dedicated career development team to help identify your ideal career path and provide advice on how to achieve your goals. Services include workshops, one-to-one coaching, career psychometric tests and visits from top global employers.

Digital Marketing strategists gain employment across a number of industries including social media, retail, tourism, pharmaceutical, healthcare, education, government and social enterprise.

“This programme allowed me to develop practical competencies via hands-on real life projects whilst learning the latest trends and practices in the digital market. Everyone at Trinity Business School - the programme director, professors and staff - were very welcoming.

Trinity’s unique location at the heart of the city along with its exceptional facilities and unlimited extracurricular activities make it ideal for any student. I have no doubt that this qualification helped me secure my current job with Google in Dublin.”
