NICHOLAS HOGAN.
Current employment: Analyst, Finance Transformation Consulting, Deloitte, Dublin

For me, the MSc Finance has been my best investment to date. The engaging and prominent lecturers, the depth of the programme's curriculum and the potential to become involved in extra-curricular activities is superb. For example, the CFA Research Challenge and the Trinity Student-Managed Fund both provide students with invaluable access to industry mentors, and the sort of experience that employers are increasingly looking for.

JOHN HARRINGTON.
Current employment: Assistant Vice President, Deutsche Bank, London
