Bachelors in professional subjects

2 Candidates for the bachelor's degree in engineering, dental science, or medicine must be bachelors in arts of the University. Special requirements for the B.A. degree are laid down for such students.

Candidates for the B.A.I. degree must have the B.A. degree conferred at the same Commencements. Students of dental science or medicine may have the B.A. degree conferred at the Autumn Commencements following the satisfactory completion of their third year, or at the Commencements at which their professional degree is conferred, but subject always to the proviso that the B.A. degree may be conferred only on candidates who have spent at least three years in the University, except by special permission of the University Council on the recommendation of the appropriate executive committee.

3 *B.D.* Candidates for the degree of Bachelor in Divinity must be graduates of the University of Dublin, or of a recognised university. (See PART 2 OF THE CALENDAR — GRADUATE STUDIES AND HIGHER DEGREES.)

The fee for the M.A. degree is €637 and should be paid to the Proctors' Office. At least twenty-eight days' notice of candidature is required (thirty-one days in the case of Winter Commencements). The fee is waived in the case of graduates of fifty or more years' standing.

Degrees awarded in special cases

Degrees honoris causa

7 A meeting of the Senate for the consideration of names proposed for honorary degrees is held in Michaelmas term. Attention is called to this meeting a week before by a notice at the front gate of the College and by post to members of the Senate who have requested notification.

Degrees jure dignitatis

8 Subject to such regulations as may from time to time be made by the Board, with the approval of the Senate, the Board may, at its discretion, at any time submit to the Senate a grace for conferring a doctorate in divinity or laws, *jure dignitatis*, upon any graduate of the University who has been appointed to such public position as may seem to the Board sufficiently distinguished; provided always that every such grace must receive the approval of not less than two-thirds of the members of the Board present when it is proposed. After admission to the said degree *jure dignitatis* the person admitted is eligible for membership of the Senate on fulfilling the prescribed conditions.

Degrees jure officii

9 The Board may submit to the Senate a grace for conferring, *jure officii*, the degree of Master in Arts upon any fellow, professor, lecturer or other officer of the University or College or of any related institution, work in which is accepted in part fulfilment of the requirements for the degree of bachelor in any faculty, provided that:

- (a) graces for admission of fellows, professors and holders of the offices of secretary, treasurer and librarian may be proposed at the stated meeting next after their admission to office;
- (b) graces for admission of other full-time members of the academic staff of at least the status of lecturer serving in the College, or a related institution, may be proposed at the stated meeting fourth after their appointment to the staff of the College;
- (c) graces for admission of administrative staff who have given notable service during a period of not less than ten years may be proposed at the stated meeting eleventh after their admission to office;
- (d) graces for admission of staff who have more than forty years' employment with the College.

Degrees ad eundem gradum

10 Graduates of the Universities of Oxford and Cambridge are eligible to apply for corresponding degrees of this University *ad eundem gradum*. The Board has ruled that only

persons who either

- (a) wish to register for a higher degree at this University, or
- (b) are members of the academic staff

will be considered, and that no degree will be awarded above the standing of M.A.

11 Applications are referred to the Board for consideration. They should be made to the Senior Proctor, to whom the necessary certificates of graduation must be submitted, with a College testimonial as to character, and a statement of the reasons why the degree is sought.

12 The fees payable are €1,204 for all bachelors' and masters' degrees. All fees are paid to the Treasurer.

13 Candidates who have paid the fee for a degree *ad eundem* may present themselves for the examination for a higher degree before the *ad eundem* degree has been conferred, on payment of the regular examination fee; and, if they are successful, the higher and lower degrees may be conferred at the same Commencements.

14 For the purpose of ascertaining the date at which a higher degree may be taken, candidates are reckoned as having taken the lower degree *ad eundem* on the date at which they obtained the corresponding degree at their own university.

Degrees in absentia

15 Students of the University may be allowed, although not presenting themselves personally at Commencements, to proceed to their degree upon the following conditions:

- (a) the academic qualifications required for degrees to be conferred *in absentia* are the same as those required for degrees conferred in person;
- (b) the requirement as to fitness of character is also the same as that required for degrees conferred in person, i.e. that before passing any grace for a degree *in absentia* the Board shall require such evidence as it may deem necessary to secure that no unworthy candidate is presented to the Senate;
- (c) subject to the foregoing, the Board may, in special cases, pass a grace for a degree *in absentia* (i) for any candidate resident outside Ireland, or (ii) for any candidate resident within Ireland, who submits reasons for non-attendance in person which seem to the Senior Proctor to be sufficiently urgent. All applications should reach the Senior Proctor at least twenty-eight days before the date of Commencements (thirty-one days in the case of Winter Commencements).

III CONFERRING OF DEGREES

General procedure at Commencements¹

1 Degrees are publicly conferred under the student's registered name, within degree class, by the Chancellor, or a Pro-Chancellor, in the Senate or Congregation of the University, at the ceremony known as Commencements.

2 Candidates for a particular Commencements must give notice on the prescribed form which is issued to the undergraduate graduating class by post and is also obtainable from the Proctors' Office. The prescribed form in respect of higher degrees is available for download at <http://www.tcd.ie/vp-cao/apse/vpapsecc.php>. The form must be returned so as to reach that office not later than twenty-eight days before the first date of that group of Commencements ceremonies (thirty-one days in the case of Winter Commencements). A Commencements fee of €114 must accompany the application form. Conditional notice may be lodged at any time but must be confirmed fourteen days prior to the ceremony. Primary degree results must be published at least fourteen days prior to the first date of the Commencements ceremonies. Higher degrees must

¹Implementation of the Commencements reform measures approved by the University Council are in progress.

Degrees and diplomas

have the approval of Council and Board fourteen days prior to the first date of the Commencements ceremonies.

Senior Sophisters and other final year students who have passed their final examinations are required to return all books to the Library within one month following their examinations. The Library will return records of books and fines outstanding to the Proctors' Office, for the purpose of alerting students to their obligation to clear their Library records so that they may proceed to Commencements.

3 The grace for a degree in any faculty, having first been sanctioned by the Board, must be approved by the Senate of the University. Any member of the Caput may veto any proposed grace for a degree. The Proctors, in a prescribed form of words, supplicate the Senate for their public grace for the degrees to be conferred. If the *placets* are in the majority the candidates for degrees are presented by a professor of the faculty in which the degree is to be taken, or by one of the Proctors; they then advance in order before the Chancellor, who confers the degree according to a formula fixed by the University Statutes, after which the candidates subscribe their names in the Register. Except in special cases (see section II, §15 above) candidates for degrees must appear at Commencements and have the degrees for which they are qualified publicly conferred on them.

Detailed procedure at Commencements

4 The Chancellor announces the opening of the Comitia. At the Autumn Commencements the Senior Master Non-Regent is elected on the proposition of the Chancellor and the Provost; and the two Proctors and Registrar make the statutory affirmation, if they have not already done so.

5 The Junior Proctor supplicates for the degree of Bachelor in Arts. The Senior Proctor supplicates for the other ordinary degrees.

6 The Senior Lecturer introduces the moderators to the Chancellor. They are then presented for their degrees by the Junior Proctor. The Chancellor hands them their medals and/or certificates and admits them. The Senior Lecturer then introduces the Respondents who are in turn presented by the Junior Proctor and admitted by the Chancellor.

7 Candidates for degrees with honors and for ordinary degrees are presented by name, within degree class, and admitted. Candidates are presented by the Proctors or by the professors of their respective faculties. In presenting the candidates the following order is observed:
