II REGULATIONS GOVERNING THE AWARD OF DEGREES

Bachelors

Bachelor in Arts and other Bachelor degrees

1 See TWO-SUBJECT MODERATORSHIP COURSES AND HONOR COURSES.

2 In the majority of undergraduate degree courses, students who have passed the Junior Sophister year may have the ordinary degree of B.A. conferred if they do not proceed to the Senior Sophister year or if they do not pass the Senior Sophister year/final degree assessments. Except by special permission of the University Council, on the recommendation of the court of examiners, the ordinary degree of B.A. may normally be conferred only on candidates who have spent at least three years in the University. In the case of advanced entry into the Senior Freshman or Junior Sophister year of a student’s degree course, the degree of ordinary B.A. may be conferred only on candidates who have spent at least two years in the University subject always to the successful completion of the Junior Sophister year. See individual course entries and faculty regulations for further information. In addition, specific requirements are laid down for students of engineering, dental science and medicine with respect to the conferral of the ordinary degree of B.A.

3 B.D. Candidates for the degree of Bachelor in Divinity must be graduates of the University of Dublin, or of a recognised university. (See PART III OF THE CALENDAR — GRADUATE STUDIES AND HIGHER DEGREES.)

Master in Arts

4 Bachelors of the University of at least three years’ standing may be conferred with a Master in Arts (i.e. an M.A. (Dubl.)). This is a title of academic rank and not an examined academic qualification. In the University of Dublin, Masters-level courses of study or research in the Faculty of Arts, Humanities and Social Sciences lead to the award of an M.Litt. or M.Phil., not an M.A; there are many other Masters-level degrees in each Faculty; and they are all set out in PART III of the Calendar – GRADUATE STUDIES AND HIGHER DEGREES. However, none is styled an M.A. In other words, the M.A. (Dubl.) is nominal and unexamined, and it is not an academic qualification in the sense that an M.Litt. or an M.Phil. is.

The M.A. (Dubl.) has the same functions and status as an M.A. (Oxon.) or an M.A. (Cantab.), and in none of these functions is it an academic qualification. In Oxford, in Cambridge and in Trinity, there were previously many privileges associated with M.A. status as opposed to B.A. status. For example, in medieval times, the M.A. constituted a licence to teach in the university, and it was awarded to those graduates who had remained on for several years for this purpose. The most important remaining consequences are listed below:

   I. It is a basis on which the recipient becomes a member of the Senate of the University. The Senate has a role in formal University decision-making, so membership allows graduates to have some influence on University business. Since the degree can be obtained only after three years have passed since the conferral of the B.A., it indicates seniority on the part of the recipient.

   II. It is an indicator of academic rank and precedence in academic institutions on formal occasions: it defines the academic regalia which the recipient wears on such occasions, and the role (if any) which the recipient can or must play.

   III. As the B.A. is incorporated into the M.A, the formal effect of the M.A. is to supersede the B.A. Hence, a recipient should be styled Joe Bloggs, M.A. (Dubl.), rather than Joe
Bloggs, B.A. (Mod.) (Dubl.). However, a recipient should not be styled Joe Bloggs, B.A. (Mod.) (Dubl.), M.A. (Dubl.).

On an historical note, the award of M.A. as an exclusively academic qualification seems always to have been the practice in universities in the USA; but, on this side of the Atlantic, the M.A. was first introduced as a formal academic qualification in the nineteenth century by the University of London. Universities founded thereafter followed the London nomenclature. This was the practice adopted when the various colleges which became the National University of Ireland (N.U.I.) were founded in the mid-1800s. Hence, what are called M.Litt.s and M.Phil.s in Trinity are called M.A.s in the N.U.I. (University College Dublin (U.C.D.), University College Cork (U.C.C.), etc). This has become the standard practice, with the result that the Oxford/Cambridge/Trinity model is now less common, sometimes leading to erroneous assumptions about the nature of the M.A. (Dubl.).

Finally, the M.A. (Dubl.) may also be awarded in special cases, such as honoris causa, jure officii, and ad eundem gradum (see §5,7,11).

Candidates wishing to be conferred with M.A. (Dubl.) must give notice on the prescribed form which is available from the Academic Registry. The form must be returned so as to reach that office not later than the specified closing date for a Commencements session. The fee for the M.A. is €637¹ and should be paid to the Academic Registry. The fee is waived in the case of eligible staff and graduates of fifty or more years’ standing.

**Degrees awarded in special cases**

*Degrees honoris causa*

5 A meeting of the Senate for the consideration of names proposed for honorary degrees is held in Michaelmas term. Attention is called to this meeting a week before by a notice at the front gate of the College and by post to members of the Senate who have requested notification.

*Degrees jure dignitatis*

6 Subject to such regulations as may from time to time be made by the Board, with the approval of the Senate, the Board may, at its discretion, at any time submit to the Senate a grace for conferring a doctorate in divinity or laws, jure dignitatis, upon any graduate of the University who has been appointed to such public position as may seem to the Board sufficiently distinguished; provided always that every such grace must receive the approval of not less than two-thirds of the members of the Board present when it is proposed. After admission to the said degree jure dignitatis the person admitted is eligible for membership of the Senate on fulfilling the prescribed conditions.

*Degrees jure officii*

7 The Board may submit to the Senate a grace for conferring, jure officii, the degree of Master in Arts upon permanent full-time members of staff of the University or College, on the following conditions:

(a) graces for admission of Fellows, Professors and holders of the offices of Secretary, Treasurer, Librarian and Chief Operating Officer may be proposed at a meeting after their admission to office;

(b) graces for admission of other members of the academic staff of at least the status of Assistant Professor serving in the College for a period of not less than three years may be proposed at a meeting after they have achieved this service to College;

(c) graces for admission of staff on administrative officer grades who have given notable service for a period of not less than ten years may be proposed at a meeting after they have achieved this service to College;

¹Fee is currently under review.
(d) graces for admission of Chief Technical Officers, Chief Medical Scientists, and Senior Experimental Officers who have given notable service for a period of not less than ten years may be proposed at a meeting after they have achieved this service to College; and
(e) graces for admission of members of staff who do not come within sub-sections (a) to (d) who have not less than thirty-five years’ employment with the College may be proposed at a meeting after they have achieved this notable service to College.

8 The Board may submit to the Senate a grace for conferring, jure officii, the degree of Master in Arts upon permanent part-time members of the staff of the University or College who had previously come within the terms of §7 (to ensure that long-serving members of the staff who for family or similar reasons opt to work on a permanent, part-time basis are not, by doing so, rendered ineligible for the degree of Master in Arts, jure officii).

9 The Board may submit to the Senate a grace for conferring, jure officii, the degree of Master in Arts upon members of staff of the University or College, on the conditions stated in §§7 and 8, notwithstanding that they hold either a full-time contract of at least three years’ duration as an officer specified in the Chapters and Schedules of the Statutes, or a contract of indefinite duration.

10 The Board may submit to the Senate a grace for conferring, jure officii, the degree of Master in Arts upon permanent full-time members of staff of any academic institution, where work in the said institution is accepted in part fulfilment of the requirements for a degree in any faculty in the College, on the following conditions:
(a) graces for admission of Professors may be proposed at a meeting after their appointment to the said institution; and
(b) graces for admission of other members of the academic staff of at least the status of lecturer serving in the said institution for a period of not less than three years may be proposed at a meeting after they have achieved this service to the said institution.

Degrees ad eundem gradum

11 Graduates of the Universities of Oxford and Cambridge are eligible to apply for corresponding degrees of this University ad eundem gradum. The Board has ruled that only persons who either
(a) wish to register for a higher degree at this University, or
(b) are members of the academic staff
will be considered, and that no degree will be awarded above the standing of M.A.

12 Applications are referred to the Board for consideration. They should be made to the Senior Proctor, to whom the necessary certificates of graduation must be submitted, with a College testimonial as to character, and a statement of the reasons why the degree is sought.

13 The fees payable are €1,204 for all bachelors’ degrees. All fees are paid to the Treasurer/Chief Financial Officer.

14 Candidates who have paid the fee for a degree ad eundem may present themselves for the examination for a higher degree before the ad eundem degree has been conferred, on payment of the regular examination fee; and, if they are successful, the higher and lower degrees may be conferred at the same Commencements.

15 For the purpose of ascertaining the date at which a higher degree may be taken, candidates are reckoned as having taken the lower degree ad eundem on the date at which they obtained the corresponding degree at their own university.

Degrees post obitum intempestivum

16 Subject to regulations made in this respect by Board, Board may submit to the Senate a grace for conferring a degree post obitum intempestivum upon a recently deceased student, who had successfully completed all required examinations and all required course work for a degree.
and was a candidate for that degree, but whose untimely death preceded the relevant Commencements ceremony.

**Degrees in absentia**

17 Students of the University may be allowed, although not presenting themselves personally at Commencements, to proceed to their degree upon the following conditions:

(a) the academic qualifications required for degrees to be conferred in absentia are the same as those required for degrees conferred in person;

(b) the requirement as to fitness of character is also the same as that required for degrees conferred in person, i.e. that before passing any grace for a degree in absentia the Board shall require such evidence as it may deem necessary to secure that no unworthy candidate is presented to the Senate;

(c) subject to the foregoing, the Board may, in special cases, pass a grace for a degree in absentia (i) for any candidate resident outside Ireland, or (ii) for any candidate resident within Ireland, who submits reasons for non-attendance in person which seem to the Senior Proctor to be sufficiently urgent. All requests should be submitted with the completed notice of candidature form by the specified closing date for a Commencements session.

**Degrees aegrotat**

18 Please see 2010 Consolidated Statutes of Trinity College Dublin and the University of Dublin (Chapter on the University section 3(3)(b)). Regulations are set out in the Calendar, (see GENERAL REGULATIONS AND INFORMATION).

**Degrees propter aliam causam**

19 Please see 2010 Consolidated Statutes of Trinity College Dublin and the University of Dublin (Chapter on the University section 3(3)(d)).

### III CONFERRING OF DEGREES

#### General procedure at Commencements

1 Degrees are publicly conferred under the student’s registered name, within degree class, by the Chancellor, or a Pro-Chancellor, in the Senate or Congregation of the University, at the ceremony known as Commencements.

2 Candidates for a particular Commencements must give notice on the prescribed form which is issued to the undergraduate graduating class by e-mail and is also available for download at [https://www.tcd.ie/academicregistry/graduation/application/](https://www.tcd.ie/academicregistry/graduation/application/). The form must be returned so as to reach the Academic Registry not later than the specified closing date for a Commencements session. A Commencements fee of €135 is payable by all undergraduate students registering on degree courses in their Junior Sophister or third year, and in the first year for all postgraduate students. Eligible graduands for whom the Commencements fee is outstanding must pay in full at the time of application for conferral.Conditional notice may be lodged at any time but must be confirmed fourteen days prior to the ceremony. Primary degree results must be published at least fourteen days prior to the first date of the Commencements ceremonies. Since the 2012-13 academic year the Commencements fee is charged as a once-off payment to be levied at the same time as the tuition fee. The Commencements fee is fully refundable to all students who become ineligible to proceed with conferral.

Senior Sophisters and other final year students who have passed their final examinations are required to return all books to the Library within one month following their examinations. The Library will return records of books and fines outstanding to the Academic Registry, for the

purpose of alerting students to their obligation to clear their Library records so that they may proceed to Commencements.

3 The grace for a degree in any faculty, having first been sanctioned by the Board, must be approved by the Senate of the University. Any member of the Caput may veto any proposed grace for a degree. The Proctors, in a prescribed form of words, supplicate the Senate for their public grace for the degrees to be conferred. If the placets are in the majority the candidates for degrees are presented by a professor of the faculty in which the degree is to be taken, or by one of the Proctors; they then advance in order before the Chancellor, who confers the degree according to a formula fixed by the University Statutes, after which the candidates subscribe their names in the Register. Except in special cases (see section II, §17 above) candidates for degrees must appear at Commencements and have the degrees for which they are qualified publicly conferred on them.

**Detailed procedure at Commencements**

4 The Chancellor announces the opening of the Comitia. At the Autumn Commencements the Senior Master Non-Regent is elected on the proposition of the Chancellor and the Provost; and the two Proctors and Registrar make the statutory affirmation, if they have not already done so.

5 The Junior Proctor supplicates for the degree of Bachelor in Arts. The Senior Proctor supplicates for the other ordinary degrees.

6 The Senior Lecturer introduces the moderators to the Chancellor. They are then presented for their degrees by the Junior Proctor. The Chancellor hands them their medals and/or certificates and admits them. The Senior Lecturer then introduces the Respondents who are in turn presented by the Junior Proctor and admitted by the Chancellor.
