A meeting of the University Council was held on Wednesday 8 November 2006 at 11.15 am in the Board Room.

**Present**
Provoest, Vice-Provost, Senior Lecturer, Registrar, Senior Tutor, Dean of Graduate Studies, Dean of Arts and Humanities, Dr G Biehler, Mr D L Parris, Dean of Engineering and Systems Sciences, Dr M Stuart, Dr H Gibbons, Dean of Health Sciences, Dr V A Campbell, Dr J P Gormley, Dean of Science, Dr M E G Lyons, Dr M J F Brown, Dean of Social and Human Sciences, Dr B M Lucey, Ms F M Haffey, Ms H Allen, Mr R Kearns, Mr P Laird, Mr C Reilly.

**Apologies**
Dr M L Brennan, Ms N McGarrigle, Mr D Wallace, Mr W Tobin, Professor N M Claffey, Librarian.

**In attendance**
Secretary, Acting Academic Secretary, Professor E O’Halpin (for CL/06-07/035).

**Observers**
Dr M H Adams, Dr P Coleman.

**Student observer**
Mr D Macken.

**By invitation**
Bursar (for Actum CL/06-07/033).

**Statutory Declaration** New members of Council made the Statutory Declaration. The Council noted that Mr C Reilly, Science Faculty Convener, had been nominated as a member by the Students’ Union.

**SECTION A**

**CL/06-07/029** Minutes

(i) **Meeting of 6 October 2006** The minutes of the meeting of the 6 October 2006 were approved and signed.

(ii) **Meeting of 11 October 2006** The Minutes of the meeting of 11 October 2006 were approved and signed subject to the following amendments:

- CL/06-07/012 Associate Professors are included in the recommendations for future procedures for senior promotions.
- CL/06-07/010 Nominations for Appointment – Appendix 4 – Social Work – Lecturer (Dr J Carter Anand): the termination date to read ‘31-12-2009’.

**CL/06-07/030** Matters Arising from the Minutes There were no matters arising.
CL/06-07/031  **Provost’s Report:** The Provost noted that the Higher Education Authority has announced the outcome of the allocation of the first phase of the Strategic Innovation Fund (SIF) and invited the Academic Secretary (Acting) to brief Council on the outcome of Trinity College’s collaborative bid. The Academic Secretary (Acting) informed Council that Trinity collaborated with NUI Galway and UCC in three projects for this first phase of SIF. The projects are (i) change management/restructuring, (ii) graduate education/4th Level, and (iii) teaching and learning. Each university took a lead on one of the projects and all three projects were successful. She commented that the presentation of the SIF awards on the HEA webpage is confusing as it reflects awards to lead-institutions in an inconsistent manner.

A total of €6.6 million, and not €2.7 million as stated on the HEA webpage, was awarded to the Trinity-led project on change management/restructuring, equally distributed among the three universities. A total of €3 million was awarded to the NUI Galway-led graduate education/fourth level project. Of this €3 million, each of the three universities received €500,000 for the development of generic skills courses, and a further €500,000 each for new blood posts to develop graduate programmes. Three million was awarded to the UCC-led teaching and learning project. Three other third level institutions participated in this project and the distribution of the €3 million among the six collaborating institutions in this project is still to be determined.

A meeting to seek clarification on the SIF assessment process was held on the 7th November 2006 with the HEA management and attended by the Provost, the Senior Lecturer, and the Academic Secretary (Acting). It is clear from the meeting that SIF will not fund Graduate Schools/Programmes and discipline specific proposals. The Provost flagged concern about the criteria for co-funding, noting the risk to College in redistributing core grant to co-fund SIF initiatives. The HEA has agreed to consider this and other related issues discussed at the meeting.

The Provost noted that a PRTLI call is imminent but the criteria are as yet unclear. He also referred to Trinity’s very favourable rankings in the THES league tables: ranking 39th in the world’s top arts and humanities universities, and 93rd in the world’s top social science universities.

CL/06-07/032  **Restructuring** The Senior Lecturer informed Council of discussions to-date on academic restructuring, noting that the working group on restructuring will report to Board at its meeting of the 22nd November 2006. Following College wide consultation, it is expected that Board at its meeting of the 12th December 2006 will make a decision on further academic restructuring. A special meeting of Council may be held to provide input to the Board decision. The Senior Lecturer reported that there is an emerging majority view that a three cluster model would best serve College’s needs, but that the group is still considering arguments in favour of a five cluster model. He referred Council to the issues raised at the Heads’ Committee of the 10th and 24th October 2006 in respect to the possible status of an Academic Medical Centre (AMC), and assured Council that the AMC would be part of a Health Science cluster but noted that there would be different financial and clinical governance arrangements in place. Academic governance of an AMC, if established, would be consistent with College regulations. There would appear to be a willingness, subject to there being only three clusters, to form a cluster of Arts, Humanities and Social Sciences.

In response to a question, the Senior Lecturer confirmed that it would be necessary to review the relationship between existing principal committees and any new governance model approved. The Provost commented on the importance of reaching a decision on academic restructuring and beginning the process of reorganising administrative and support services to underpin the new academic structure and to support the core activity of the university.

_Incorporating any amendments approved at subsequent Council meetings_
**Academic Resource Allocation Model** A report dated 18 October 2006 from the Bursar was circulated with papers for the meeting, and the Bursar attended to present this item. The Bursar noted that the report detailed issues that arose from a presentation on ARAM to Board, Council and the Heads of Schools ARAM sub-group on the 4th October 2006. The participants at this presentation raised issues in respect of space, weightings, ARAM transition targets, clusters, research, changes to ARAM, and strategy. In considering how to progress the review of ARAM and the implementation of any changes, the report noted that there (i) there has to be stability in the management of the College, (ii) Schools should not be required to substantially revise their three year staffing plans in the academic year 2005/06, (iii) the timescale for the implementation of the ARAM needs to be agreed to bring certainty into academic activities of the College, and (iv) there is a need to know how the pension issues and the FTWA will impact on the finances of the College before full progress can be made on refining and implementing ARAM.

The Bursar outlined the proposals for the meeting of Board on the 25 October 2006. He noted Board approved that the 2007/08 staffing decisions should be made in December 2006 using a 50% ARAM target based on the combined ARAM data for 2003/04 and 2004/05 and that Schools would be asked for “light touch” staffing plans as part of this process. Board also approved the recommendation that the 2005/06 ARAM data be prepared for Hilary Term 2007, as well as the 2006/07 agenda for the ARAM Taskforce. The so-called Parnell model was also discussed, and Board approved the principle of undergraduate fees following undergraduate numbers, and invited the ARAM Taskforce to reflect this in further proposals brought forward in the context of the agenda as outlined by the Bursar.

Council discussed some of the detail of the report, and in response to a question on the Parnell Model, the Bursar confirmed that the undergraduate fee amounted to approximately €11.9 million. He added that the application of this principle will benefit those Schools with large undergraduate student numbers. One member of Council expressed his concern that the Parnell Model would have an adverse affect on his School, and in light of decreasing undergraduate student numbers, it may be necessary for College to make provision for those staff who may wish to avail themselves of early retirement.

It was noted that the School of Dental Science and the School of Nursing & Midwifery were under-funded and it was held that since these Schools have separate funding sources, they should not be allocated core grant funding. The Bursar responded that these and other related issues were being addressed by the ARAM Taskforce. There was some discussion about defining research and slowing down the implementation of ARAM.

The Provost in drawing the discussion to a close, reiterated his view that the ARAM is an indicative tool to inform College policy and not to restrict academic activity. He thanked the Bursar for his presentation and his work to-date on ARAM.

**Heads of School Committee** Council noted the minutes of the meeting of the Heads of School Committee held on the 10th and 24th October 2006. There were no matters arising.

**Postgraduate Diploma in Management** A memorandum from the Dean of Graduate Studies, dated 31st October 2006 together with a course proposal from the Trinity-IMI Graduate School of Management was circulated with papers for the meeting. The Dean of Graduate Studies introduced the proposal for a Postgraduate Diploma in Management. He noted that the proposal was approved by the Graduate Studies
Council Minutes of 8 November 2006

Committee and would be considered at the next meeting of the Library Committee. The diploma course is offered on a part-time basis over one-year and, subject to Council approval, will commence student enrolment in November 2006. The course is designed to develop the capability of participants to contribute to discussions on the strategic direction of their respective organisations. The proposal has strategic importance to the Trinity-IMI Graduate School of Management as, among other things, it is congruent with the School’s vision and mission. The course carries 60 ECTS and the Graduate Studies Committee is satisfied that the academic content is of sufficient level for the award of a postgraduate diploma. The Dean sought Council approval for the Postgraduate Diploma in Management subject to appropriate financial arrangements being put in place to accommodate this course under the Trinity School of Business and IMI initiative.

Professor E O’Halpin who was inadvertently in attendance at Council raised a number of concerns about the proposal before retiring from the meeting. Council discussed at length Professor O’Halpin concerns as well as those expressed by other members of Council. The main concerns raised and discussed related to the:

(a) inappropriate advertising of the course before the University Council approval, which suggests a level of disrespect for a Trinity College qualification and the authority of the University Council;
(b) fact that students are already participating on the course with a legitimate expectation that on successful completion they will be awarded a Trinity College diploma;
(c) information in the promotional material in respect of the awarding body and level was misleading and incorrect;
(d) concern that module descriptors are not consistent with those approved by the Graduate Studies Committee.

In response to concerns raised in relation to the academic status of the director of the course, it was confirmed that, while unusual, it is within the regulations that a Visiting Professor can be a course director. It was also confirmed that the Visiting Academic in question was fully employed by the IMI. In response to concerns expressed about employing staff from other third level institutions to deliver modules, it was noted that this is not an unusual practice in the business education environment. Council urged that strong measures be put in place to ensure that academic standards are maintained on all programmes that are awarded a qualification by the University of Dublin and Trinity College.

It was commented that the Council should consider the academic content of the course separately from the process and in this case the timing was out of kilter. Having considered further the issues raised, Council recommended the award of a Postgraduate Diploma in Management for the course, subject to the concerns raised in respect of process being adequately addressed and satisfactory financial arrangements being in place.

CL/06-07/036 Academic Appeals Committee Council noted and approved the minutes of the Academic Appeals Committee of the 6th October, the 11th October, and the 12th October 2006. It was noted the timeframe between the publication of results, the court of examiners and the appeals needs to be reviewed as there is insufficient time for students to prepare an appeal.

CL/06-07/037 Nominations for Appointment Council noted and approved the circulated information (see Appendix 1).

Incorporating any amendments approved at subsequent Council meetings
CL/06-07/038 Junior Promotions Review 2006 Under Other Business the Council nominated the following to Board for promotion, under the terms set out in the memorandum from the Secretary to the Junior Promotions Committee, tabled dated 7 November 2006.

(i) Merit Bar Review The following Lecturers to be permitted to proceed beyond the Merit Bar at the date appropriate in each case:

- Dr J Murphy (Surgery)
- Dr S Pavia (Civil Engineering)

(ii) Transfer to the Grade of Lecturer The following to be transferred to the grade of Lecturer (above the Merit Bar) with effect from 1 October 2006:

- Dr N Allott (Manager of the Centre for the Environment)
- Dr S Waldren (Curator of the Botanic Gardens)

CL/06-07/039 Chairs Under Other Business the following was noted and approved:

(i) Mitchell Chair in Cognitive Neuroscience The Council noted and approved a memorandum from the Head of the School of Psychology, tabled dated 7 November 2006. The Council noted that a generous benefaction from Sir Anthony O'Reilly will part fund the Mitchell Chair in Cognitive Neuroscience, with the balance being provided by the School. The Council also noted that the Chair was included in the School’s Strategic Plan. The following search committee was approved:

- Provost
- Senior Lecturer
- Dr H V Smith
- Professor M A Lynch
- Professor R M J Byrne
- Professor P J Prendergast

(ii) Chair of Cancer Biology and Chair of Molecular and Cellular Immunology The Council approved the names of two external assessors for each of the above Chairs.

SECTION B

CL/06-07/040 Personnel and Appointments Committee The Council noted and approved the recommendations as set out in the minutes of the Personnel and Appointments Committee from its meeting of 25 September 2006, which had been circulated.

SECTION C

CL/06-07/041 Higher Degrees—Reports of Examiners The Council noted and approved the reports of examiners on candidates for higher degrees, approved by the sub-committee of Board and Council on 26 September 2006 and noted by Board on 25 October 2006:

(i) Professional Higher Degrees by Research Alone

- MD Jane Catherine Holland; Susan Mary McKiernan.

*Incorporating any amendments approved at subsequent Council meetings*
(ii) Higher Degrees by Research Alone

PhD  John Peter Barron; Stuart Bennett; Lorraine Boran; Lorna Elizabeth Carson; Michael Joseph John Cooney; Catherine Crean; Gary Delaney; James Downes; Marie Doyle; Alexander Fleming; Alan Francis Forde; Edward Michael Franklin; John Francis Patrick Gibney; Stephanie Anne Hayes-Healy; Arlene Hogan; Najjia Ibiyou; Stuart Kenny; Andrew Sheridan Knox; Paola Labrecciosa; Emer Lahiff; Aíne Lynch; Michael Manzke; Megan Jill McKenzie; Sinead Louise Mullally; Erin Siobhan Nugent; Fionnuala Marie O’Donnell; Esther Mary O’Regan; Valerio Potì; Andrew Power; Kathrina Quinn; Cathriona Anne Russell; James Anthony Martin Shanahan; Gerard Tobin.

MSc  Yvette Graham; Gavin Kearney; Ciaran Joseph McEvoy; Fintan Eugene McGee; Najlaa Mabrok; Colm Daniel Moore.

MLitt  Rachel Doyle.

MDentCh  Nagat Areid.

CL/06-07/042  Headship of Department  The Council noted and approved the following appointments to Headship of Department, from 9 October 2006 to 12 July 2009:

(i)  Economics  Dr R A Somerville;
(ii)  Germanic Studies  Dr G J Carr.

CL/06-07/043  Graduate Studies

(i)  Doctorate in Clinical Psychology Course  The Council confirmed the decision of the Course Director that a student who had failed to meet the requirements of the course should be excluded from the course and noted that an appeal to the Visitors had been lodged.

(ii)  MSc in Cardiac Rehabilitation Postgraduate Diploma (exit option)  The Council noted and approved an award of Postgraduate Diploma as an exit option to the MSc in Cardiac Rehabilitation (course code 676) as per the original submission of the course proposal for Council on 11 July 2001 (Actum 164/A (ii) recorded only Council approval for the MSc degree).

CL/06-07/044  School Executives  The Council noted and approved the following appointments:

(i)  School of Languages, Literatures and Cultural Studies – Directorships

(a)  Director of Teaching and Learning (Undergraduate): Dr S Bayó Belenguer, one year from 9 October 2006;
(b)  Director of Teaching and Learning (Postgraduate): Professor C Ó Cuileánáin, two years from 9 October 2006;
(c)  Director of Research: Professor J Gratton, two years from 9 October 2006.

(ii)  School of Law for 2006-2007:

(a)  Director of Teaching and Learning (Undergraduate): Professor H Delany;
(b)  Director of Teaching and Learning (Postgraduate): Dr N Cox (during Michaelmas term Dr E O’Dell will hold this position during Dr Cox’s sabbatical);
(c)  Director of Research: Professor W Binchy
(d)  Registrar of the Law School: Ms I C Bacik;

Incorporating any amendments approved at subsequent Council meetings
Nominating Committees

The Council approved the membership of the following committees:

(i) **Computer Science – Senior Lecturer (permanent)** (see Actum CL/06-07/027 (iii) of 11 October 2006) Dr F E Bannister will serve as pro-Dean on this committee;

(ii) **School of Medicine (St James's Hospital) – Lecturer in Human Nutrition (1-year contract)**
Dean of Health Sciences
Dr N P Kennedy
Professor P W N Keeling
Dr K Younger (DIT)

(iii) **Physics – Lecturers (3) (conversions) (permanent)**
Dean of Science
Professor J G Lunney
Professor H J Rice
Professor E M McCabe
Professor J F Donegan
Professor M Henry (DCU)

(iv) **School of Radiation Therapy – Lecturers (2) (3-year contracts)**
Dean of Health Sciences
Ms M A Coffey
Ms J Byrne
Ms J Hussey
Professor D Hollywood
Dr L Rainsford (UCD)

(v) **Surgery (St James's Hospital) – Non-Clinical Lecturer in Surgery (permanent)**
Pro-Dean of Health Sciences (Professor C Bell)
Professor D P A Kelleher
Professor J V Reynolds
Dr V A Campbell
Professor W Gallagher (UCD)

(vi) **Lectureships in Economics (2) (permanent)**
Dean, Faculty of Social and Human Sciences
Professor M A Marsh
Dr R A Somerville
Professor P R Lane
Dr G S Martin
Professor M Waterson (Warwick)

Incorporating any amendments approved at subsequent Council meetings
