SECTION A

CL/07-08/030 Statutory Declaration
Professor N Grene (Acting Dean of Arts and Humanities) and Mr H Sullivan (Students’ Union) made the statutory declaration.

CL/07-08/031 Minutes of meetings
(i) Minutes of the meeting of the 10th October 2007 were approved subject to a correction in CL/07-08/009 to read Mr Misstear and not Professor Misstear.
(ii) Minutes of the meeting of the 18th October 2007 were approved.

CL/07-08/032 Matter Arising from the Minutes

Academic Titles in Trinity College Dublin (Actum CL/06-07/216 of 27 June 2007)
Dr Gibbons, referring to the statement that current arrangements between College and the Unions stand, noted that College had turned down two urgent requests from the General Secretary, Mr M Jennings, for a meeting of the ASA/IFUT Branch to discuss matters in the School of Natural Sciences. Dr Gibbons noted that this is a direct breach of the 1981 IFUT/TCD Agreement on Consultation. The Secretary advised that the matter should be raised with the appropriate office, and undertook to relay the matter to the Staff Secretary.
CL/07-08/033  Provost’s Report

(i) Strategic Innovation Fund (SIF) The Provost informed Council that the outcome of College’s submission to the SIF Cycle II is expected sometime in late December 2007.

(ii) Science Foundation Ireland (SFI) The Provost noted that fourteen of the 28 applications to the SFI Stokes Professorship and lectureship Programme 2007 were successful. Formal notification of this outcome is expected this week.

(iii) THES (Times Higher Education Supplement) University World Rankings The Provost noted the imminent publication of the THES 2007 university world rankings.

CL/07-08/034  Restructuring Update The Senior Lecturer informed Council that the sub-groups of the Restructuring Implementation Oversight Group have now been established and work on the various topics is progressing well.

CL/07-08/035 Academic Appeals Committee Council noted the recommendations of the Academic Appeals Committee of the meetings of the 8th, 10th and 11th October 2007, and noted the correction that Dr M Lyons and a Pro-Dean of Science, not Health Sciences, were present at the meeting of the 8th October 2007.

CL/07-08/036  Milltown Institute of Theology and Philosophy A memorandum from the Registrar dated 2nd November 2007 was circulated together with a draft framework agreement dated 4th October 2007. Council approved in principle a strategic alliance between College and the Milltown Institute subject to a number of identified conditions.

CL/07-08/037  Statutes - Response to letter from Statutes Review Working Party A memorandum from the Registrar dated 6th November 2007 was circulated together with a memorandum from the Statutes Review Working Party of 19th September 2007. Introducing this item the Registrar invited Council’s attention to the main issues for consideration and provided a brief overview of these, namely (i) resolution of conflicts, (ii) membership of Council, (iii) external relations, (iv) fitness to practise, (v) faculty residence requirements, and (vi) staff discipline. Council had already approved the transitional arrangements for Council (CL/07-08/005) at its meeting of the 10th October 2007.

Council considered the proposed suggestions and in respect of the resolution of conflict between Board and Council, the meeting discussed the suggestion that one refusal by Board should be sufficient before an application is made to the Visitors. It was noted that the Board is the governing authority with the ultimate power of decision provided for in the Universities Act 1997, and in revising the Statutes, it would be important that Council recognise the ultimate authority of the Board. It was further noted that in the past fifteen years there had not been any requirement to resolve a conflict between the Board and Council.

In considering issues around fitness to practise, the Registrar confirmed that these related specifically to students on professional courses who are unfit to practice for reasons other than those relating to examinations or disciplinary matters. At present the Statutes do not provide the power to decline a student in such a case to progress academically or to take a degree. In discussing this it was noted that on successful

completion of some professional courses such as dental science, for example, the graduand is also licensed to practise.

The Faculty residence requirement to reside at a distance of not more that 50 kilometres from College was considered inappropriate in Ireland today, and it was suggested that where such a requirement is necessary the employment contract could stipulate the requirement that the individual reside sufficiently close to Dublin.

There was considerable discussion about the staff discipline regulations which do not provide for mediation and progress too quickly to a formal process involving a disciplinary panel. Council was informed of the report of the Review Committee on Disciplinary Procedures Relating to Staff, May 1995, more commonly referred to as the ‘Duncan Report.’ With respect to staff discipline, the Duncan Report states, among other things, the importance of mediation and informal discussion. It was suggested that the Duncan procedures should remain in place and be supported by informal procedures. In response to a query, it was confirmed that student disciplinary procedures were covered separately in the Statutes.

Council, following much discussion, agreed with respect to:

(i) \emph{resolution of conflicts} that in the event of a conflict between Board and Council one refusal by Board would be sufficient before an application is made to the Visitors;

(ii) \emph{external relations} that the Statutes Review Working Party draft sub-sections of the Council and Board chapters that reassert and clarify the principles and processes of decision-making and the respective roles of Council and Board in this regard;

(iii) \emph{fitness to practise} that the Statutes Review Working Party liaise with the working party on fitness to practise, chaired by the Dean of Students, on this matter;

(iv) \emph{faculty residence requirements} that the requirement that full-time members of staff reside at a distance of not more than 50 kilometres from the College be altered to reflect the changed conditions in respect of accommodation and travel in the greater Dublin area;

(v) \emph{staff discipline} that the proposed Working Party be established, and in devising a new staff disciplinary code, it should take cognisance of the relevant sections in the Duncan Report, 1995.

\textbf{CL/07-08/038 Any Other Urgent Business}

(i) \textbf{Membership of the Working Party on Council Composition} The Proposed membership of the Working Party on Council Composition was tabled. Council approved the following membership:

- Registrar \hspace{1cm} Chair
- Senior Lecturer \hspace{1cm} Secretary to Council
- Board representatives \hspace{1cm} Dr A Piesse
- \hspace{1cm} Dr J Parnell
- Council representatives \hspace{1cm} Dr V Campbell
- \hspace{1cm} Ms F Haffey
- Fellows’ representative \hspace{1cm} Professor H Delany
- Statutes Review Working Party Representative \hspace{1cm} Dr S Boyce
- Student representative \hspace{1cm} Mr B Rock

(ii) \textbf{Council representative on the Equality Committee} Dr H Gibbons was nominated and approved to represent Council on the Equality Committee.
