Introduction
This is the Annual Report of the Equality Committee to Board detailing activities during the 2016/17 academic year. The Equality Committee is a compliance Committee of Board with responsibility for advising Board and Council on all equality-related matters.

Legislation

The key aspects of the legislation for Trinity are:

- Trinity is to promote gender balance and equality of opportunity among students and employees of the university as one of its objectives under the Universities Act 1997.
- The Equal Status and Employment Equality Acts outlaw direct and indirect discrimination, victimisation or harassment on the following 9 grounds: gender, civil status, family status, sexual orientation, religion, age, disability, race or ethnicity, membership of the Traveller community. It is also prohibited under the Equal Status Act to discriminate in the provision of accommodation, in relation to the ground of “housing assistance”.
- These Acts place a responsibility on Trinity as an employer and educational establishment not to discriminate on any of these grounds against staff, students or service users; and to take reasonably practicable steps to prevent discriminatory conduct by its employees.
- The Equal Status Act and Employment Equality Act allow for preferential treatment or the taking of positive measures which are intended to promote equality of opportunity for disadvantaged persons; or cater for the special needs of persons who may require facilities, arrangements, services or
assistance. For example, training for particular groups of staff, or reasonable accommodations required by staff with disabilities.

- The Disability Act 2005 requires all public bodies to fulfil a 3% employment target of staff with disabilities, and to monitor and report on the achievement of this target annually.

- The Irish Human Rights and Equality Commission Act 2014 states that public bodies have a positive duty to promote human rights and equality in the performance of their functions. This “public sector duty” is to be implemented by a three-step process, which is to be tied to strategic planning:
  - Conduct an assessment of human rights and equality issues that are relevant to the organisation’s functions
  - Develop an action plan for addressing the issues identified
  - Report annually on progress

**Policy**

Trinity’s commitment to promoting equality in all its activities is outlined in the College Equality Policy, the most recent version of which was approved by Board in January 2016.

The Equality Committee is also responsible for the review and implementation of a range of Trinity policies, including but not limited to:

- Dignity and Respect Policy (2016)
- Accessible Information Policy (2011)
- Gender Identity and Gender Expression Policy (2014)
- Policy on Supports for Student Parents, Student Carers and Students Experiencing Pregnancy (2013)
- Code of Practice for the Employment of People with Disabilities (2016)
- Procedures and Guidelines in Relation to the Provision of ISL/English Interpretation (2017)

In some cases, the responsibility for review and implementation is shared with other committees / offices such as HR or the Disability Service.
Strategy

Trinity’s Strategic Plan 2014-2019 lays out strategic goals for equality as follows:

**C8.2 Equality, Diversity and the Irish Language**

Commitments to equality and diversity are values on which Trinity’s excellence relies. To this end we are committed to creating an inclusive, diverse and pluralist college community and a positive environment in which all can participate, and all are recognized fully for their contributions. We are committed on all equality grounds to protecting staff and students from discrimination and to ensuring that diversity is promoted and celebrated. We are committed to the Irish language as a central aspect of college life and as a valued element of college diversity. We will continue to support the use and promotion of the Irish language, and to improve Irish language services.

We will achieve this objective by:

— embedding the commitment to equality and diversity in all policies and practices and further developing diversity awareness and training programmes

— advancing a structural change process to incorporate gender-balanced representation at all stages and levels, thereby enhancing the quality of Trinity’s institutional decision-making

— acting as a national leader to promote the introduction of the Athena SWAN Charter to Ireland and pursuing institutional and school-level Athena SWAN Awards, thereby providing a proven framework through which our position on gender equality can be measured and improved

— promoting the Equality Policy, Dignity and Respect Policy and the Gender Identity and Gender Expression Policy

— promoting the employment of people with disabilities, improving their retention and recognizing their contributions

— further developing our supports and training through projects like ConnectAbility

— taking a leading role in sectoral and national initiatives to promote diversity and seeking to raise the university’s profile as an inclusive organization”

Committee Self-Evaluation

Introduction
On 18 May 2017, anonymous self-evaluation questionnaires (on SurveyMonkey) were circulated to all members of the Equality Committee, and 7 responses out of a potential 14 (excluding Chair and Secretary) were received.

Questions in the evaluation were positively worded – for example, “The Committee’s Terms of Reference clearly set out its role”, and respondents were invited to rate their level of agreement (Strongly Disagree, Disagree, Agree, Strongly Agree). Members were also invited to make additional free comments at the end of each section of the questionnaire.

Overall Assessment
The overall assessment of the Committee was positive. Of the seven respondents to the self-assessment survey, four rated the Committee as “effective” and three as “very effective”.

Particular Strengths
The majority of responses to the positive statements in the survey were “agree” or “strongly agree”. The statements with which a majority of respondents (i.e. 4 or more respondents) strongly agreed are presented below and overleaf.

**Positive Comments**

“I feel the importance of the Committee has been elevated in recent years due to a greater understanding among the College Community of the importance of equality to all elements of our lives.”

“Latterly, the absolute importance of the committee has become more apparent, in part due to the large interest in self-nominated staff to become a part of the committee, and reminders to all staff about the TOR/attendance requirements, as well as the continuous references to equality related issues in the national strategy documents and internal strategies.”

“The Equality Officer and the Chair do an excellent job of arranging, managing and facilitating the Committee.”

**Areas for Improvement**

All the statements with which one or more respondent disagreed are presented overleaf. The orange-highlighted statements are those with which more than one respondent disagreed, or with which any respondent strongly disagreed. Green-highlighted statements were also cited as strengths.

Suggestions for Improvement
All suggestions for improvement are presented below – there were no other comments of a negative nature. Need for resources and for improvements to membership are both noted.

1. Resources
“There is a real need for resources if the committee is to be effective - if the College is serious about fulfilling its equality obligations then there should be funds ring-fenced to meet equality objectives."

“The Committee accomplishes quite a lot, but could benefit from more resources. The remit of the Equality Officer is considerable and the office could benefit from access to EO support, given the volume of work involved in updating policies and working to increase the visibility of the Equality Office through the Equality Fund, student society awards, International Women’s Week, etc. etc. Additional staffing might assist with allowing more time spent on reviewing/helping with the on-ground implementation of equality policies across all Schools/Faculties and services.”

“As with the Equality Committee there needs to be resources allocated so that these sub-committees or working groups can carry out their remit effectively.”
2. Membership

“More student representation would be helpful, if this is possible within the SU etc.”

“There is diversity among gender and age but that’s about it. I think we could draw on the experience of minority groups on campus to widen the profile.”

“Making the committee a little larger might be beneficial to broaden representation and improve attendance.”

3. Miscellaneous

“The separation between Equality and Diversity remains very awkward and causes duplication and unclarity both in governance and for how this area of activity is perceived.”

“The main issue with any committee, however, is ensuring that the conversations which we have and the work which we undertake, is visible and has a positive impact on the entire College community. This is the area which I feel needs more attention / resources.”

“I would be happy to attend more meetings if it was necessary in order for the Committee to fulfil its role.”
Suggested Actions

To fulfil its remit to advise Board and Council on equality-related matters, and having regard to the responses in its self-assessment survey, the following actions are proposed by the Equality Committee:

- Annual updates from key areas on the implementation of equality-related policies / strategies will be re-introduced. These may include:
  - Disability Service
  - Dignity and Respect Contact Persons
  - Athena SWAN Self-Assessment Team / TCGEL
  - Director of Diversity and Inclusion
  - LGBT Staff Network
  - Other areas as required

- When the next available self-nominated staff member position arises, the call for applications will explicitly encourage applications from staff with characteristics that would add to the diversity of representation on the Equality Committee

- A handbook of key information on the Equality Committee will be circulated to all members at the beginning of each academic year

- Committee meetings will be made longer (they are 2 hours in duration at present) if the need arises during the year

- The Equality Officer will review the Equality Office work programme and budget in order to maximise both for greatest impact

- Committee news, minutes and key achievements will be publicised on Equality Office communications channels as appropriate
### Report on 2015/16 Actions

The following actions were recommended in the Equality Committee Annual Report 2015/16:

<table>
<thead>
<tr>
<th>Recommendation</th>
<th>Action taken / Outcome</th>
</tr>
</thead>
<tbody>
<tr>
<td>To promote attendance, Section 2.4 of the Equality Committee Terms of Reference (which states that members missing three consecutive meetings without justification deemed sufficient by the Chair should be invited to resign) is to be implemented more strictly – allowing that this action is also agreed by the Secretary’s Office, and the member has been warned of this provision after missing two consecutive meetings.</td>
<td>Section 2.4 has not been used</td>
</tr>
<tr>
<td>Number of Committee meetings to be increased to five in our Terms of Reference (one extra meeting has been needed in 2015/16 and in 2014/15); two meetings to be held during each teaching term, and one in Trinity term</td>
<td>Change to Terms of Reference discussed with Registrar: existing flexible provision (&quot;The Committee will normally hold meetings once per term or as often as is necessary to complete the business before it or to deal with urgent issue that may arise&quot;) is to remain but five meetings have been scheduled for 2017/18 from the beginning of the year</td>
</tr>
<tr>
<td>Membership review to be undertaken with consideration of the variety of equality-promoting bodies in Trinity, and need for diverse representation</td>
<td>Membership review undertaken in 2016/17 and recommendations (agreed by Committee at its meeting of 1 June 2017) forwarded to the Registrar</td>
</tr>
<tr>
<td>Equality Officer to improve communication of the Committee’s work through Equality Office channels as well as substantial engagement with the Communications Office</td>
<td>Greater activity on Equality Office social media (Facebook and Twitter) and monthly news items posted on recently redesigned website, <a href="http://www.tcd.ie/equality">www.tcd.ie/equality</a>. The website has a page on the Equality Committee. Engaged with Communications on e.g. Age-Friendly Trinity, International Women’s Week</td>
</tr>
<tr>
<td>---</td>
<td>---</td>
</tr>
<tr>
<td>Draft agenda to be circulated 2 weeks in advance of meeting; legal and policy developments in Ireland and EU to be included for discussion where relevant</td>
<td>In place (Committee agendas now have a standing item on “legal and policy update”)</td>
</tr>
<tr>
<td>Equality Fund subcommittee to evaluate impact and consider improvements</td>
<td>Various recommendations made by Equality Fund subcommittee in annual review meeting (August 2017)</td>
</tr>
