Time:           11 – 11.30am           Payslips & Deductions Seminar
                  Followed by Questions & Answers

Description:   Unlocking the mystery of your payslip! A great opportunity to have
                an overview of how your tax and USC is calculated and how it takes
                account of your travel pass and bike to work scheme. Talked
                through examples of calculations, and what are the PRSI, tax credits
                and cutoffs and calculation.

                We will also look at CorePortal, where you will find your current
                payslip, along with historic payslips and P60s. You can use CorePortal
                to update some of your personal information, too.
