Use **Databases** and **STELLA** search to find scholarly articles

If using **GOOGLE Scholar** use via Library website (Databases & Ebooks) to get access to full text content

If you have **problem** getting article:

Try searching by **JOURNAL title**

If online version not available for your year, do we have **print** version?

If not in Library your options are **Inter-Library Loans** (€8)

**Visit** other library (u/g need letter of adm. p/g ALCID card)

Ask for **assistance at duty desk**, service counters, Subject Librarian
Q: Have you any idea how I could get a copy of the following?

**Are Scores on Hofstede's Dimensions of National Culture Stable over Time? A Cohort Analysis**

Sjoerd Beugelsdijk*, Robbert Maseland and André van Hoorn

A: **Type ARTICLE title into STELLA searchbox.** Click on Fulltext link for access.

If you encounter any problems double-check JOURNAL title and select appropriate option for your reference.
Q: I’m trying to access an article from the British Journal of Developmental Psychology but cannot gain access to it. I’m looking for the 1990 journal, Volume 8, Issue 3, Social background, phonological awareness and children’s reading by Raz and Bryant.

Could you give me any advice as to how i could go about accessing it?

A: Our earliest online subscriptions start in 1997- so it is not available in online format.

There is a print edition which you can consult. You will have to fill out a paper callslip in the library using the shelfmark PER 84-480. Make sure you include the journal title, volume, issue, pages and year. Delivery from External storage will take approx. two working days (order on Tuesdays or Thursdays); Campus stacks 1.5 hours.
Note embargoes on some e-journal d/bs – choose appropriately

Print version available
TCD theses in Library can be searched by degree, keyword, author
