## Information for our first outing of 2024

The time sheet for the first outing of this year (2024) is now open. This year's intervarsity competition will be held at the same venue, so this is an ideal opportunity to gain some familiarity with the course for those interested in putting their names forward for the team.

The outing is on Saturday 9th March and we have the tee from 12.06pm to 12.46pm and is a singles Stableford competition. Please return your name and handicap index, if you have one, to this email on or before Wednesday 28th February indicating you wish to attend the outing.

The green fee for members is €50 and for non-members/visitors is €55.

Please find attached membership form, details on payment and details for entry into society Matchplay. We would encourage all to please return membership form, payment of annual fees by bank transfer and Matchplay entry by Wednesday 28th February.

These need to be returned to Gabrielle as per detail on the form. If you prefer to complete the form and present it and membership payment at the outings that is also possible.
