The 2018 - 2020 Bursary for Students of the TCD MSc in Cognitive Behavioural Psychotherapy

The total value of this bursary shall be €7,500 which will be paid in 3 equal amounts of €2,500 in each of the first 3 semesters of this 2 year MSc course. It will be paid on October 31st of the first semester and on March 31st during the second semester of the first year, provided that the student has completed registration and is up to date with College fees. A student who drops out of the course will no longer be entitled to any further payments from the bursary.

The third portion will only be payable if the student successfully completes the first year and registers and pays fees for the second year of the course. The third portion shall be payable on the 31st of October in the first semester of the second year.

To apply for the bursary the applicant must have formally applied for the MSc Course in Cognitive Behavioural Therapy through the TCD applications portal and must also meet the courses eligibility criteria. The applicant must then submit a short essay entitled “How the TCD Masters course in Cognitive Behavioural Psychotherapy will enhance my professional role and my patients’ lives.” The essay should be no more than 1500 words and must be submitted by 30th June 2018, to the M.Sc. Course Administrator, Majella Moloney.

The winner of the bursary shall be the candidate whom the course staff judge to have written the best essay. Their decision will be final and the course reserves the right to split the bursary if two candidates are deemed to be of equal merit. If a candidate who is offered the bursary is not in a position to register in the forthcoming academic year 2018-2019 then they will forfeit the bursary and it will be awarded to the next candidate chosen on merit. Applicants for the bursary will be notified of the outcome of the competition for the bursary on the 31st July 2018.
