

Schedule 1

Degrees and other academic qualifications awarded by College

1. Degrees

- (1) The Letters Patent of 1857 and 1911 confirmed that College's power in the Charters of 1592 and 1637 to award Degrees and thus to confer degrees is to be exercised by the University, and this is provided for in the Chapter on the University.

2. Other Academic Qualifications

- (1) The titles, abbreviations and academic dress for the academic qualifications other than Degrees awarded by College shall be prescribed by Board and set out in the Calendar.
- (2) Regulations concerning the academic standing and the academic and other requirements to be fulfilled to achieve the standing necessary for their conferral shall be prescribed by Board and set out in the Calendar.
