

## Student Conduct

- |                     |    |  |
|---------------------|----|--|
| Conduct             | 1. | (1) Board shall make regulations concerning student conduct and related matters.   |
| Discipline          | 2. | (1) Board shall maintain oversight of the disciplinary procedures relating to students.<br>(2) A disciplinary code, including the disciplinary functions of the Junior Dean, and the composition and procedures of a Disciplinary Committee and a Panel of Enquiry, shall be set out in Schedule 1.  |
| Scholarship         | 3. | (1) Scholarship may be terminated or suspended pursuant to the Chapter on Scholars.  |
| Mental Health       | 4. | (1) Cases of student mental ill-health raise sensitive personal issues.<br>(2) A policy and procedures to deal with such cases shall be set out in, or pursuant to, Schedule 2.<br>(3) Although such cases may also raise issues under Schedule 1, they should normally be dealt with pursuant to Schedule 2.  |
| Fitness to Practise | 5. | (1) Cases of students' fitness to practise trades or professions during their courses of study and after graduation raise complex academic issues.<br>(2) A policy and procedures to deal with such cases shall be set out in, or pursuant to, Schedule 3.<br>(3) Although such cases may also raise issues under Schedules 1 and 2, they should normally be dealt with pursuant to Schedule 3.<br>(4) Council shall maintain oversight of this matter, and Schedule 3 may be revised by Board only with the consent of Council. |
| General             | 6. | (1) Although some class of matter may raise issues under Schedules 1 to 3, Board may provide in a further Schedule that it should normally be dealt with pursuant to that further Schedule.  |
