DEPARTMENT OF CLINICAL SPEECH AND LANGUAGE STUDIES

**Analysing Conversation in People with Dysarthria**

Dr Steven Bloch, Division of Psychology & Language Sciences, UCL, London

**Date:** Thursday, 6<sup>th</sup> November 2014

**Time:** 09:30-16:30

**Venue:** Room 103/104, Dept. of Clinical Speech & Language Studies,  
7-9 South Leinster Street.

**Cost:** €50.00

This study day aims to develop SLT clinicians' skills in examining the abilities and challenges encountered by people with dysarthria and their communication partners in conversation; to link the information obtained from conversation analysis, to plan intervention for people with dysarthria and their communication partners, and to increase their confidence in applying conversation based methods to everyday clinical interaction.
