GUIDE TO REGISTRATION

1. How do I register?
You will register online via the website my.tcd.ie. Registration will open from August on a course by course basis. A communication will be sent to the e-mail address you gave during the application process inviting you to log in to the website to register. Please check your e-mail for updates regularly. Once you have registered emails will be sent to your new TCD email address.

A username and password has been created to give you immediate access to my.tcd.ie.

Username: Shown on the top right corner of both the email and letter you received. This is also your TCD student ID Number.

Password: This is your date of birth in the format DDMONYYYY, e.g. 03FEB1995

Students who have previously accessed the my.tcd.ie website should continue to access it using your current username and password as this has not changed.

When you have been invited to register you will see an in-tray message in your student portal and you will have access to the Register tab in the portal on the top menu.

In order to complete on-line course registration, you should click on the tab and proceed.

You must complete all tasks successfully before the process is complete. When you have completed these tasks successfully you will see a green tick. If tasks are incomplete they will be highlighted by a red X. All mandatory fields are marked with an asterisk (*).

Online registration does not have to be completed in one sitting. You can complete a task or multiple tasks, exit and return later to proceed. The completed tasks will be saved when you log out. You must complete each individual task before registration is complete.

Please view our step by step guide and video podcast at www.tcd.ie/academicregistry

2. How do I pay my fees?
You can pay your fees through the following methods:

- **Online Payment:** You can make an online payment through using a debit/visa card on the website my.tcd.ie
  You can click the ‘My Finance’ tab on your portal to pay your fees. This is the quickest and easiest way to pay.

- **EFT (Electronic Funds Transfer) i.e. bank account or online banking:** This involves the transfer of funds direct to the Trinity College Dublin accounts. This transaction isn’t immediate. Due to banking requirements it can take up to 4-5 working days for payments to be cleared on your account or up to 10-12 working days if the payment is made internationally. Please factor this into your payments if you have a set deadline.
Bank account details for EFT payments are available on the Academic Registry website and in your my.tcd.ie portal.

- **Pay to Study (Recommended for International Students):** This is an easy-to-use online payment process which offers a secure, fast and affordable way to make your international payments to Trinity College Dublin. ORIENTATION

To help you settle in to Trinity, orientation week runs from 18th – 22nd September 2017. This week includes information talks, tours, social events and a welcome from the Provost.

**Your timetable**

Your personalised orientation timetable is available on my.tcd.ie.

---

**Step 1**

Log in to my.tcd.ie using the details sent out to you by the Academic Registry during the summer.

**Step 2**

Select ‘My Timetable’ from the dropdown menu.
Step 3
Select ‘View My Orientation Timetable’.

Step 4
If you selected ‘View My Own Student Timetable’, you can filter it by week to just see your orientation events.

Click ‘Options’ and select Week 4 on the left of the calendar. Orientation takes place in week 4 of the Academic Calendar, just one of many Trinity quirks you’ll learn over the next number of years!
You will see a number of events on your orientation timetable. Orientation events are mandatory for students, unless stated otherwise. Your timetable won’t show the name of the event, just a code, unless you hover over it. These codes are explained here so you can see what kind of events you have during orientation week.

The codes are set up as follows

**OR 1 3 22**

**OR**: Orientation

1: First year

3: Type of session (this is the key piece of information for you)

22: Your course

**OR1000: Provost’s Welcome**
Please attend on Monday 18th if your surname begins with A-L, or on Tuesday 19th if it is M-Z.

**OR11xx: General Session** – this session will cover student supports and services, how we do things at Trinity and key information to survive your first couple of weeks (where to go, eat, drink, how to manage your money, how to study).

**OR12xx: Course Orientation** – this session is given by your school to take you through the academic expectations of the year. You’ll get a chance to meet some of your lecturers, and find out what kind of classes you’ll be taking and how you will be assessed.

**OR13xx: S2S Mentor tour** – your S2S mentor is a really important person in your first year. They are older students in your course who will meet you to take you on a campus tour, and show you around the Library and Sports Centre, as well as answer all the questions you have about being a student in Trinity.

**OR10xx: Optional lunchtime talks & welcome coffees.**

You may have more events than these on your timetable, and if you do they are specific to your course. These are also compulsory. Remember you can get the title of any timetable event by hovering over it with your mouse!

These are just the official Trinity events during Freshers’ Week, don’t forget the Students’ Union (SU) also run a number of nights out to help you meet other Freshers and Clubs and Societies have a very busy week of events too. You can get details of all of these at: [http://trinityevents.ie/](http://trinityevents.ie/)

THE FRESHERS’ FAIR!

When you come in through Front Gate for the first time during Orientation week, you will walk straight into the Freshers’ Fair.

Student Clubs and Societies set up stands in Front Square, where they will try to entice you to join them with activities, events and free stuff!

Clubs and societies can be the best ways to make new friends in college so you should join a few that you are interested in (but don’t go too overboard in the first week, you can always join later in the year too – we don’t want you to spend your food budget on joining fees!)
There are over 100 student societies that cater to almost any hobby or interest you could have in Trinity. Some are academic (and if your course has a society, it’s a good idea to join it) but there are societies for arts & culture, politics, volunteering, and many more. If you’ve ever thought about debating or learning to juggle or meeting like-minded students, the societies are where to go.

DATA PROTECTION

1. What data do we hold?
In the course of performing university functions and associated student services, Trinity processes lots of data about students. Common examples include names, addresses, student numbers, photographs, mobile telephone numbers, dates of birth, etc. In some cases, Trinity may also receive sensitive personal data about students, such as health or welfare data. For example, our College Health Service, Counselling Service or Disability Service may receive health or conviction data in the course of performing their functions.

2. What do we use it for?
Trinity processes and discloses your data to various departments/units within Trinity for the purpose of performing university functions and providing associated facilities and services. For example, we compile and retain the student registration data you give us and we maintain an ongoing record of course selection data, examinations data, attendance data, awards and credits etc. Student data is shared with Trinity Foundation who manage alumni relations on behalf of Trinity.

We will not normally use your data for any unrelated purpose without your consent. However, in exceptional cases permitted by data protection laws we may process and disclose data without consent or notice to you, for example if it is required to investigate offences, to prevent injury or damage or to comply with a legal obligation.

3. Accessing your data
You have a legal right to access your personal data subject to payment of the statutory fee and certain exceptions which are set out at law. To ensure a coordinated and appropriate response to data access requests, all such requests should be directed to Trinity’s Information Compliance Officer, they should clearly and distinctly identify the specific personal data being requested and they should be accompanied by the statutory fee (currently €6.35).

4. Parents/Guardians
As Trinity considers students, even if they are not yet 18, to have the maturity to give consent for the use of their data, in normal circumstances, Trinity will not disclose personal data to the parents, guardians or other representatives of a student without the student’s consent. Trinity’s preference is to receive written consent by way of email from the student where possible. Without such consent Trinity will not release any details regarding students including details of their registration, attendance, fee payments etc. However, there may be exceptional circumstances, for example, in the case of potential danger to the health or well-being of a student or if a representative such as a solicitor or politician has written to Trinity making it clear that they are acting on behalf of the student.
5. Further information

The full policy is available at tcd.ie/info_compliance/dp/policy.php

Trinity has appointed an Information Compliance Officer who will assist Trinity and its staff in complying with the data protection legislation. Specific queries or concerns should be addressed to Information. Compliance@tcd.ie
