ALERT LIST FOR GUIDANCE COUNSELLORS – 2018

Change of Course Name

To better reflect the substance of the course the title of TR080 Business changes to TR080 Global Business. There is no change to the degree awarded or to the course content.

New Entry Routes to Science Courses

Students seeking entry to Trinity's Science courses in 2018 will now have four separate entry routes to choose from. The new streams will incorporate the 'Common Entry Science' course (TR071) as well as a number of former direct entry courses.   The four new streams are:

TR060   Biological and Biomedical Sciences   235 places

TR061   Chemical Sciences   72 places

TR062   Geography and Geosciences   54 places

TR063   Physical Science   52 places

Admission Requirements:

1. O4/H6 in mathematics
2. Two higher level grade 4s from the following subjects: physics, chemistry, biology, physics/chemistry, mathematics, geography, geology, applied mathematics, agricultural science. Physic/chemistry may not be presented with physics or chemistry. Agricultural science may not be presented with biology. Applied mathematics may not be presented with mathematics.

For convenience the table below shows how the previous CAO Course Codes map to the new streams:

Old CAO Course Code	New CAO Course Code
TR071 Science	TR060/TR061/TR062/TR063
TR073 Human Genetics	TR060
TR074 Chemistry with Molecular Modelling	TR061
TR075 Medicinal Chemistry	TR061
TR076 Nanoscience, Physics & Chemistry of Advanced Materials	TR061/TR063
TR077 Earth Sciences	TR062

Change to Admission Requirements for entry in 2019

For students applying to entry TR072 Pharmacy in Trinity College in 2019 the entry requirements will be as follows:

1. O4/H6 in mathematics (no change)
2. H4 in Chemistry **OR** Physics/Chemistry (previously H5 in Chemistry)

   and H4 in one of physics, chemistry, biology, mathematics, geology, geography, applied mathematics, agricultural science. Physics/Chemistry may not be presented with Physics or Chemistry to satisfy requirements.

A-Level subjects now accepted for admission in 2018

The following A-Level subjects are now accepted for minimum entry requirements and scoring purposes:

- Moving Image Arts
- Digital Technology
- Environmental Technology
- Software Systems Development
- Nutrition and Food Science (which is replacing Home Economics)
