Supporting Documentation

All applicants must submit a transcript of results with their application.

Transcript

The transcript of results you provide must be an original, up-to-date transcript showing your results at the time of application. It must show marks for each module in numeric form e.g. "65%" **not** "II.I". It is advisable to request your transcript from your department as early as possible as some departments need one to two weeks' notice to issue a transcript. Alternatively, a printout of results from the my.tcd portal, verified by your department with stamp/signature, can be accepted.

Before making an application for a College-wide exchange, you must:

- Research the course offerings for exchange students at the universities you are interested in.
- **Read about the ACADEMIC RESTRICTIONS for each university on the 'Information on Partner Universities' page of our website** at <https://www.tcd.ie/study/study-abroad/outbound/options/index.php> to ensure you don't apply for universities that are not suitable for you.
- Discuss your exchange options with your departmental co-ordinator(s).
- Consult the general information on College-wide Exchanges online at <https://www.tcd.ie/study/study-abroad/outbound/options/>

Please note:

- The universities you choose on this application form may not be changed after the form is submitted so please make sure they are correct.
- Applications for non-EU college-wide exchanges must be made through the Study Abroad team within the Academic Registry at TCD and **NOT** directly to the university overseas.
- This form is for **internal TCD use only** and is **not an application to any host university**. The purpose of this application is to secure a **nomination** for an exchange place. Students who are nominated will be notified by the Study Abroad team in late December 2017/January 2018 and will be required to make a separate application to the host university at a later date.
- Places will be allocated on a competitive basis but students should have achieved **at least** an overall 2.1 in their Junior Freshman examinations.
- Students should only complete and submit this form if they genuinely intend to travel.

Application Checklist

- Signed application form**
- Transcript or results print-out verified with department stamp/signature**

I confirm that the particulars given on this form are true in all respects. I confirm that I have consulted the information on College-wide Exchanges online and that I understand that due to the low ratio of Non-EU College-wide Exchange places to applications, submission of this form does not guarantee approval for an exchange nomination.
