Presents: Professor Faith Osier

International Union for Immunological Societies (IUIS) President

KEMRI-Wellcome Training Programme, Kilifi, Kenya

Heidelberg University Hospital, Heidelberg, Germany

“Plasmodium falciparum: Antibody correlates of protection from volunteer infection studies in humans”

Research Highlights:

- Observational study: 27 years of severe malaria surveillance in Kilifi, Kenya. *BMC Medicine*, 2019
- Antibody responses to merozoite antigens after natural *Plasmodium falciparum* infection: kinetics and longevity in absence of re-exposure. *BMC Medicine*, 2019
- Changes in Malaria Epidemiology in Africa and New Challenges for Elimination. *Trends in Parasitology*, 2017
- Vaccine candidate discovery for the next generation of malaria vaccines. *Immunology*, 2017
