BOTANY Practical Course in Botanical Art

Visual artist and Botanical art teacher Ida Mitrani ([http://www.irishbotanicalartists.ie/members-gallery/ida-mitrani](http://www.irishbotanicalartists.ie/members-gallery/ida-mitrani) (www.idamitrani.org) will be running a two-day practical course in botanical drawing and watercolour illustration based in the Trinity Botanic Gardens at Dartry, Dublin 6 (nearest Luas Station, Milltown). Ida is a member of the Irish Society of Botanical Artists and exhibits regularly in Ireland. Some of her works are part of the National Library of Ireland, National Archive and the Arts office in Dun Laoghaire public collection.

In this course, and following previous years’ very successful model, all abilities will be catered for, as each participant will receive individual tuition.

A botanical drawing session occupies the first part of day one and participants produce preparatory drawings to work from in the watercolour course in the afternoon and day two. Plants are sourced in the extensive gardens and glass houses on site and all drawings are done from life.

How to Apply Please email Ida at marahida@yahoo.com to confirm your participation. Places are very few in number and strictly limited.

Fee The course will cost €140 for two days and materials will be supplied. Full payment in advance by 1st August 2021 for the autumn course is essential and required to secure your place. Please note all monies are non-refundable except in the event of course cancellation.
