General
The Trinity Careers Service regularly holds Careers Fairs and events on campus to give organisations the opportunity to connect with our students and graduates. These terms and conditions set out the regulations for organisations participating in such Fairs and events.

The Careers Service will provide information on the registration process, the payment process and the facilities available to employers.

By registering to attend one of our Fairs or events you are agreeing to these terms and conditions, which form a legally binding contract between the Trinity Careers Service and the registered Employer. If you are registering on behalf of another party, it is your responsibility to ensure that they are aware of these terms and accept them. By completing the registration, you are confirming that you have made the party aware of these terms and that they have accepted them.

What you can expect from us
Trinity Careers Service retains organisational responsibility for all careers events offered exclusively to Trinity students. Events for the 2021/22 academic year will be held online & on campus, in line with Government guidelines. We will assist in promoting your campus event to students through MyCareer and through our social media channels. Targeted email promotion may also be arranged (fee-based service).

The Partnership Development Officer at employer.careers@tcd.ie can provide further information on pricing and organisational details for Careers events.

A Trinity Careers Service representative will manage your online event and provide tech support. We often ask employers if we can record events hosted online, so that we may make the event available to Trinity students who may not have been able attend. Recorded events are only available to students who log in to their MyCareer account and do not appear on our public communications channels.
What we can expect from you

Student registrations for events will be managed by Trinity Careers Service through MyCareer.

Events organised are for Trinity students. Students not enrolled for study at Trinity are not permitted to attend online events or events on campus unless agreed in advance. Employers or third-party organisations are not permitted to advertise events on campus in a way that suggests that the events are open to members of the public or to students of other institutions.

Trinity Careers Service has a duty of care towards students and welcomes students to participate in its events without obligation. We do not charge students a fee to participate in events and neither are employers/third parties permitted to charge students for participation in events on campus.

Cancellation

The Careers Service reserves the right to change venue, date or times of an employer-led careers event at its discretion. Any change will be communicated to Employers in writing at the earliest opportunity.

Should an Employer wish to cancel a careers event, written notice is required at least 5 working days in advance of the event in order to receive a full refund. Cancellation notices should be sent to employer.careers@tcd.ie.

An Employer who cancels a booking will be liable for the following charges:

- More than 5 working days prior to the event: no charge.
- Less than 5 working days prior to the event: 50% of the cost of the event.
- Within 48 hours of the event: 100% of the cost of the event plus a €100 cancellation fee.
Careers Fairs

Registration
Employer bookings to attend our Careers Fairs are made online using the booking form on MyCareer and can only be made by the Employer or an authorised booking agent. It is the responsibility of the Employer to ensure that the correct contact details are supplied to the Careers Service. If these details change, it is the responsibility of the Employer to inform the Careers Service.

The Employer or booking agent is responsible for ensuring the booking form is fully completed and submitted within the timeframe stated by the Careers Service, and that payment is made within the required timeframe. The Careers Service reserves the right to cancel a booking and withdraw any Employer from the Fair without liability if the Employer fails to comply with instructions given by the Careers Service.

The Careers Service will try to facilitate any amendment to the booking by the Employer, provided that these changes comply with regulations, and provided the changes do not breach any other regulations, e.g. cancellation policy, contained within this document.

Places at our Careers Fairs are limited and, as we seek to offer our students the most appropriate range of organisations for each Fair, we reserve the right to decline a booking request.

The Careers Service will advertise all Careers Fairs via several communications channels including posters, publications, e-mail, website and social media. The Trinity social media policy may be viewed at https://www.tcd.ie/about/policies/social-networking-social-media.php.
