Trinity Careers Service - Careers Fairs and Event
Terms and Conditions

General
The Trinity Careers Service regularly holds Careers Fairs and events on campus to give organisations the opportunity to connect with our students and graduates. These terms and conditions set out the regulations for organisations participating in such Fairs and events (hereafter referred to as “the Exhibitor).

The Careers Service will provide timely information on the registration process, the payment process and the facilities available to Exhibitors.

By registering to attend one of our Fairs or events you are agreeing to these terms and conditions, which form a legally binding contract between the Trinity Careers Service and the registered Exhibitor. If you are registering on behalf of another party, it is your responsibility to ensure that they are aware of these terms and accept them. By completing the registration, you are confirming that you have made the party aware of these terms and that they have accepted them.

Registration
Exhibitor bookings to attend our Careers Fairs and events are done online using the booking form on MyCareer and can only be made by the Exhibitor or an authorised booking agent. It is the responsibility of the Exhibitor to ensure that the correct contact details are supplied to the Careers Service. If these details change, it is the responsibility of the Exhibitor to inform the Careers Service.

The Exhibitor or booking agent is responsible for ensuring the booking form is fully completed and submitted within the timeframe stated by the Careers Service, and that payment is made within the required timeframe. The Careers Service reserves the right to cancel a booking and withdraw any Exhibitor from the event without liability if the Exhibitor fails to comply with instructions given by the Careers Service.

The Careers Service will try to facilitate any amendment to the booking by the Exhibitor, provided that these changes comply with regulations, and provided the changes do not breach any other regulations, e.g. cancellation policy, contained within this document.

Places at our Careers Fairs and events are limited and, as we seek to offer our students the most appropriate range of organisations for each event, we reserve the right to decline a booking request.

Advertisement
The Careers Service will advertise all Careers Fairs and events via several communications channels including posters, publications, e-mail, website and social media. The Trinity social media policy may be viewed at https://www.tcd.ie/about/policies/social-networking-social-media.php.

Cancellation
The Careers Service reserves the right to change venue, date or times of a Careers Fair or event at its discretion. Any change will be communicated to Exhibitors in writing at the earliest opportunity.

Should an Exhibitor wish to cancel their stand at a Careers Fair or event, written notice is required at least 28 days in advance of the event in order to receive a full refund. Cancellation notices should be sent to employer.careers@tcd.ie.
An Exhibitor who cancels a booking;

- 14 days prior to the event: will receive a 75% refund
- 7 days prior to the event: will receive a 50% refund

An Exhibitor who wishes to cancel an advertisement in the Fair booklet will be subject to an administration levy to offset any printing or design costs incurred as a result of the cancellation.

In the event of a no-show, any Exhibitor who has booked and paid for a stand at a Careers Fair or event is not entitled to any refund.

Cables and electrical equipment must be securely installed at the stand and must not present a danger to Exhibitors, Trinity staff, students or visitors to campus. Equipment used on stands must be safety tested and carry visible indicators that it has passed a safety test. We reserve the right to refuse permission for the use of equipment within a venue if it is deemed to present a risk to Exhibitors, Trinity staff, students and visitors.

Music may not be played at stands without prior permission. The Careers Service reserves the right to refuse permission for music to be played if it is deemed to have a negative impact on other Exhibitors, Trinity staff, students or visitors to the venue.

Fire and Safety
Stands including materials must be non-combustible and flameproof complying with the requisite standards of the 1989 Code of Practice for Fire and Safety Furnishings and fittings in places of assembly, as issued by the Department of Environment or appropriate EU standards. Exhibitors should carry the appropriate certification in the event of request by the Fire Authority for proof of compliance with Irish/EU Standards. Exhibitors should familiarise themselves with all fire exits at the venue.

Exhibitors are not permitted to bring any hazardous or fire-causing items on to campus (e.g. gas cylinders, halogen gas, fireworks).

Food and Drink
Exhibitors offering sweets/cakes/edible treats are required to display a Food Allergy Notice on their stand. Please refer to the Food Standards Authority of Ireland for guidance on food and allergy labelling: https://www.fsai.ie/Foodhypersensitivityfoodallergyandintolerance/.

All Careers Fairs are alcohol-free events.
Stands and Installations
The Careers Service allocate stands to Exhibitors in advance of a Fair and will communicate stand positions to Exhibitors. The Careers Service reserves the right to allocate stand positions as deemed appropriate, and according to the advertised pricing structure. No changes to stand location may be made on the day without the agreement of the Careers Service, and the Careers Service reserves the right to decline such requests. Should changes to the layout of the fair be necessary to comply with Health and Safety legislation or the safety regulations of the venue, the Careers Service reserves the right to revise the placement of stands. The Careers Service will communicate any such change to the Exhibitor at the earliest opportunity.

Exhibitors are responsible for ensuring that all construction and installation work at their stand complies with relevant Irish/EU health and safety legislation. Stands may be inspected by the relevant Authorities for compliance.
