Assessment Details

Step 1 – Create a Video:

Create a video (2 minute) on the following topic:

*As a professional services company, KPMG are keen to attract Trinity students from across all disciplines. Typically Business students are aware of what such companies offer, however, students from areas such as STEM and Arts are less familiar with the opportunities open to them.*

*In this scenario imagine you are a consultant and your client, KPMG, has asked you to solve this problem. Imagine you have unlimited budget and resources to complete this task; the sky is the limit!*

Step 2 – Video submission:

- Send this video to KPMG: gradrecruitment@kpmg.ie
- Subject of email: *Trinity Employability Award – Video Submission.*
- Closing date for video submission: **Thursday 14th March 2019 at 5pm.**
- x5 finalists will be contacted by **Monday 18th March 2019.**

- The final will be held in KPMG offices and finalists will present to a panel of KPMG judges on their video submission and elaborate on this.
➢ This is a 10 minute presentation and you can use any method to present this e.g. PowerPoint, Storyboard, and Elevator Pitch.
➢ You will be required to elaborate further on your video submission. For example, build a pitch to market opportunities on campus, including budget, resources etc.
➢ KPMG are looking for students who are clear at engaging with an audience and have strong communication skills. We are looking for someone who can provide innovative and relevant content and who have really thought outside the box!

- Students will be marked using a scoring sheet.
- All students will receive feedback.
- KPMG will announce the overall winner at the annual awards ceremony on Tuesday, 26th March 2019.
- The overall winner receives a €500 cheque and a Summer Internship with KPMG.

How to prepare:

For the video submission, you must be able to present your work through media and connect with your audience.

For the presentation, you must make an impact on your audience and engage with them, using language skills such as speaking confidently and clearly to capture the attention of the audience; listening to the panel and answering any questions they may have, including taking feedback on board. This an integral part of this assessment.
