Overview
The Department of Economics warmly welcomes visiting students who are attending Trinity College for the academic year or for a term. This booklet outlines module choices and general procedures for students visiting the department. Choices vary depending on the category of student, and students should only register for modules listed under their appropriate category: either ‘Full Year Students’, ‘Michaelmas term (1st Semester) only students’ or ‘Hilary Term (2nd Semester) only students’. We advise students to take particular note of the “B” at the end of Michaelmas term codes and the “C” at the end of Hilary term codes when completing registration forms.

Visiting Student Module Outlines
All visiting student module outlines are listed here: http://www.tcd.ie/Economics/undergraduate/visiting-students/VisitingStudentModuleOutlines.php

Programme Structure
Visiting students are expected to fulfill the same module requirements, in terms of coursework and exams, as Trinity students. In particular, full-year and Hilary Term (2nd Semester) only visiting students are expected to sit summer examinations. These examinations generally last until the end of May.

Visiting students here for Michaelmas Term (1st Semester) only will not be expected to sit the summer examinations. The assessments for their modules will be outlined on the module descriptions and at www.my.tcd.ie and typically include a combination of tests, assignments and projects.

Visiting Student Economics Timetable
Once your module registration is complete your timetable will appear on www.my.tcd.ie. You can also find the Economics module timetable here: https://www.tcd.ie/Economics/undergraduate/timetable/.

Once you have selected your modules, you should email econsec@tcd.ie to request details of your tutorial groups.

Contacts
Course Coordinator
Professor Eleanor Denny (ecnvisit@tcd.ie) is our visiting student coordinator, see http://www.tcd.ie/Economics/undergraduate/visiting-students/ for details. Professor Denny will discuss module options with visiting students and sign the module choice forms during her office hours on Mondays from 10-12 in Room 3030 of the Arts Building. In week one of Michaelmas (first) term, a meeting will be organized by faculty from Business, Economics, Political Science, Sociology and Philosophy, where coordinators will sign registration forms. Full-year and Michaelmas-term visitors are expected to attend this meeting. If you miss the meeting, or are here for Hilary (second) term only, please visit Professor Denny during her regular office hours.
