

NOVEMBER 2021 FOR HILARY TERM 2022

# CALL FOR PAPERS

Staff and Postgraduate Seminar Series 2021-22

## SEMINAR SERIES

**The staff-postgraduate seminar series offers a chance for researchers to present their work – including works in progress – in a friendly, supportive, and professional environment.**

We particularly encourage submissions from those who have not yet had the chance to present their own research to an academic audience, and welcome papers from continuing and new researchers in the School of English (staff and students).

The series also welcomes distinguished guest lecturers from the academic community outside Trinity College.
