Covid-19 Positive Case Response Protocol

(as of 15th November 2021)

In the case of a student testing positive for Covid-19, you must follow the procedures outlined below as soon as possible:

1. After receiving notification of a positive Covid-19 test, please make sure to observe the **HSE guidelines in place**:
 - a. <https://www2.hse.ie/conditions/covid19/testing/positive-result/>
2. Please notify:
 - Module Coordinator,
 - Head of Discipline (where relevant)
 - Head of School (Prof. Omar García, omar.garcia@tcd.ie)
 - School Administrative Manager (Ms Rima Fitzpatrick, fitzpari@tcd.ie)
 - Health and Safety Officer (Dr Katerina García, kgarcia@tcd.ie)

and **fill the Covid-19 —Student Contact Tracing Form**. Please forward the form to Dr David McGrath at covidnotify@tcd.ie, with copy to the School Health and Safety Officer, at kgarcia@tcd.ie and the HoS, Prof. Omar García (omar.garcia@tcd.ie).

3. Please note that where there is an outbreak in a class it may be reasonable (depending on the circumstances) to put in place a circuit breaker, i.e. 7 days online. Dr McGrath will advise in each case.
4. Please note that the GOI considers academics frontline, key workers, so it is important to note this and be vigilant as cases rise.
