ERASMUS INFORMATION MEETING

Date: Wednesday 12th December

Time: 4.00pm to 5.00pm

The meeting is designed primarily to encourage students who are in Departments/Schools (which currently hold Erasmus exchange agreements) to apply for a place on these exchanges where this is not a mandatory component of their degree programme.

Students for whom the Erasmus exchange programme is a mandatory component of their degree programme are of course very also very welcome to attend as we will advise students about the application process.
