

## \* NOCHE ESPAÑOLA 2013-2014 \*

The Department of Hispanic Studies has been organising “Noche Española” since 2007. On four nights during the term we meet to view Spanish films and afterwards get together at Mac Turcaill’s Pub on Townsend St.

These events, which are FREE and open to everyone inside and outside College, are great occasions for our own and Erasmus exchange students, as well as Latin American and other Spanish-speaking people, to meet up.

If you are interested in enjoying our Spanish Nights or in receiving more information on other activities related to Spanish language and culture, why not join our Facebook group (Spanish at TCD) or contact:
