Welcome to Trinity Sport

Trinity Sport continues to strive towards sporting excellence, our vision is to provide the best possible university sporting experience for all Trinity students.

Sport is not just beneficial to the individuals at the very top of their game. Alongside the obvious health and fitness benefits, students that participate in sport tend to be more engaged academically and socially. Sport assists the transition from school to university, develops leadership ability, and forms strong friendships.

Whether students want to perform at a high level, be part of a team, learn a new sport or simply improve fitness, Trinity Sport has a wide variety of sporting opportunities to enhance your college experience.
