Welcome to Trinity Sport

Trinity Sport’s vision is to have sport of the Trinity experience and our mission is to inspire, engage and connect people through sport in a suitable, inclusive, and supportive environment.

Sport is not just beneficial to the individuals at the very top of their game. Alongside the obvious health and fitness benefits, students that participate in sport tend to be more engaged academically and socially. Sport assists the transition from school to university, develops leadership ability, and forms strong friendships.

Whether students want to perform at a high level, be part of a team, learn a new sport or simply improve fitness, Trinity Sport has a wide variety of sporting opportunities to enhance your college experience.

Sports Clubs

Trinity has 49 sports clubs ranging from team sports, adventure sports, water sports to martial arts, there is something for everyone. Getting involved in a sports club is an ideal way to keep fit, learn a new skill, and build new friendships. An average of 10,000 students join one or more sports clubs each year.

Joining a Trinity Sport club also gives you an opportunity to represent Trinity and compete at a high level against other universities. The Trinity Sports Awards take place in May and are open to all the university’s sports clubs. The purpose is to acknowledge the extraordinary commitment made by the sporting community here in Trinity.

Check out the Trinity Sport Orientation Hub for more information on Trinity’s sports clubs!
