Possible combinations of subjects for TSM are indicated by X or ✱ in the grid below.

X indicates combinations in which both subjects are studied for three years, and one subject only is studied in the fourth year (Pattern B).

✱ indicates combinations in which students may choose to study:
• both subjects for three years and one subject only in the fourth year (Pattern B), OR
• both subjects for four years (Pattern A)

In both Pattern A and Pattern B both subjects are studied to honours degree level, level 8. Note: Students are not permitted to commence two new languages.
