Additional Notes:

- (i) The definition of an E.U. student for the FFI is different from the College's definition of an E.U. student for fee purposes. This could result in student being classified as E.U. by the College but not being eligible for 'Free Fees.'
- (ii) If initially deemed E.U. for fee purposes but not eligible for FFI and subsequently granted EU/EEA citizenship you may become eligible for FFI. Your status will be amended in the year of attaining citizenship once the college receives evidence of the same.

- (g) Except in the case of second chance students, (See (h) below) tuition fees will not be paid in respect of students doing repeat years or in respect of students repeating a year-level having changed (but not completed) their undergraduate course.
