### Special Consideration criteria

Please tick the special consideration area that you want to apply under

**Impact of disability**

**The nature and impact of disability:** as stated by the applicant and documented with appropriate evidence. Priority will be given to applicants with the most significant needs based on mobility, balance, stamina and strength.

**Proximity:** Where the impact of the disability is such that the student will experience significant and prolonged difficulty with walking even short distances to the university or might experience significant fatigue due to the impact of a significant disability. An example of when this might be appropriate may include a student with a significant visual impairment or a student with a significant physical or mobility difficulty

**Accessible Accommodation:** Where the impact of the disability is such that student requires accessible accommodation. An example of when this might be appropriate may include a student who is a wheelchair user who requires accommodation that is adapted to the needs of an individual with a physical disability or a student with a sensory disability.

**Health grounds**

The student has a significant health condition which affects their living arrangement and creates a need to live in Trinity accommodation.

**Mental health difficulties**

The student has a mental health diagnosis for which the provision of Trinity accommodation is essential to ensure optimal participation in the coming academic year.

**Significant personal circumstances**

The student is experiencing difficult family circumstances /situations which affects their living arrangement and creates a need to live in campus accommodation.

**Other grounds – please specify**

Please write a short explanation of the special consideration grounds under which you are applying to support your application here:

**Section for Application supporter Only:**

I support the application for special consideration for Trinity run accommodation and the student is known to me. I have verified the impact of the student's special circumstances in relation to the indicators above and I recommend that they be accommodated in Trinity accommodation (specify accommodation type below).

- Trinity Campus
- Trinity Hall
- Kavanagh Court
- Binary Hub
- Any of the above
