Please note the academic reason for which you are requesting an extension of residence:	

Requests for changes to reservations must be notified in writing - at least five working days (Monday to Friday) in advance for extensions and are subject to availability, and seven working days in advance for earlier departure.

The rate for a modern single ensuite room in the Hall is €27.13 per night inclusive of all utility charges. *A twin room option may be available, but only if the twin room is occupied by two registered TCD students for the same period (subject to availability).*

Once an application has been received, accepted and processed, an email will issue advising you to access your portal at my.tcd where you will see the charges due for the period. Payment is due in advance for the full period and these should be paid as directed at that site.

Students staying in residence for the summer period will be subject to the same Conditions of Occupancy as during the academic year.
